The contractor shall save and hold harmless the Owner from and against all suits or claims, which may be based upon any injury or death of any person or persons or damage to property, which may occur, or which may be alleged to have occurred in the course of the performance of this agreement by the contractor, whether such sum claimed shall be made by an employee of the contractor, by a third person, or their representatives, and whether or not it shall be claimed that the said injury, death, or damage were caused through a negligent act, or omission, of the contractor; and the contractor shall, at his own expense, defend any and all such actions, and shall at its own expense pay all charges of attorneys and all costs and other expenses, arising therefrom, or incurred in connection therewith; and, if any judgement shall be rendered against the Owner in any such action, or actions, the Contractor shall, at its owns expense, satisfy and discharge the same.

# VILLAGE OF CUBA TREE WORK 2026-2027

The following is a brief overview of how the work is expected to be performed while working in the Village.

1) The contractor is responsible for setting up the work zone and the safety of the public during all operations.
2) The contractor is responsible for the chipping of all brush.
3) The contractor will cut all pieces into manageable sizes and deliver them behind the DPW garage.
4) The contractor will be responsible for grinding the stump out (if the open sidewalk if heaved up, the DPW will assist in removing the sidewalk blocks so the roots can be ground down) and hauling away the grinding. (at least 8" below ground level)
5) The contractor will be responsible for all lawn cleanup.
6) The contractor will be responsible for any damage to any Village Street/sidewalk due to tree work (proof of insurance needed)
7) All trees to be removed will be clearly marked with a white " X ". (Separate sheet with address is attached)
8) When submitting your bid, please itemize each number tree/stump removal.
