Exhibits

The FINDLEY LAKE Elementary School built in 1960 is being used as a Community Center. Two class-rooms in the former school are now used for Historical purposes. Last year in 2024 it was the Town's Bicentennial anniversary. Every effort was made to display every possible significant historical event, archive in the collection. All those displays are still on exhibit.

School Classroom Lectures/Presentations

The local school 2nd grade teacher is also on the Historical Society Board. She invited local Town Supervisors to share information about their jobs and the towns. They also shared reading materials. The same teacher annually takes her class for a one day experience in a historical one room school house,

Public Lectures/Presentations

The Town Historian and the Historical Society are partners with the Community Connections of FINDLEY LAKE organization who are very active in presenting educational and historical programs/lectures at our Community Center. The topics included: 1.) Showing a video recording of a prominent local man, former WWIIVeteran, now deceased. 2.) Retired CIA agent exposing stories of spies in America.
3.) Annual Veterans Day dinner speaker Re: How difficult it is for the families and spouses serving in the military and during war.
4.) Local farmer and huge old tractor collector program.

Historical Research

The Historian is always working at learning, collecting and sharing information on the founder of the Town of Mina, FINDLEY LAKE, NY, Alexander Findley. Several of his descendants have traveled miles to add to their research, Janni Leeper from IOWA, many of the TenHagen/Barth descendants toured

the archives after Shirley TenHagen Memorial and John Swartz is developing a Findley timeline.
At the Annual Memorial Day Program a roadside historical marker was placed at the Findley Lake Cemetery honoring Revolutionary War Veterans, Alexander Findley and Josiah Morse. There were many inquiries of many families resulting in a lot of researches.

Historical Publication

We are continuing to sell the last year's Bicentennial Books: "The History of Steamboats on Findley Lake", "Swanee's Sentimental Journey Around FINDLEY LAKE" and a standard "Around Findley Lake"

Historical Events/Celebrations

There are so many events in FINDLEY LAKE area (because there is a lake) they publish a "FUN MAP" that includes a map, calendar of events and all the businesses in town. The town sponsored an ANNUAL MEMORIAL DAY PARADE and pertinent program ending at the cemetery. ALWAYS THE BIGGEST EVENT IS THE ALL DAY ALL NIGHT FOURTH OF JULY CELEBRATION!
THERE WAS A VERY WELL ATTENDED CHAUTAUQUA COUNTY HISTORY EXPO sponsored by the county legislators and the Fenton Museum. This Historian and the Historical Society were there with 2 tables along with 34 other organizations.

Historic Preservation Projects

{Empty}

Heritage Tourism Projects

{Empty}

Conference/Workshops Attended

This Historian is a long standing member of the G.A.H.W.N.Y. and attended the 9/13/25 conference. I thought it was run well and very beneficial with lectures in cemetery care and how to research property.
I am also a life member of the Chautauqua County Historical Society. I attended the April Annual Meeting when Julien Icher, the expert on Lafayette's final USA Tour spoke so eloquently.

Other

Since becoming Town Historian 2015, I have always been an officer in the FINDLEY LAKE & Mina Historical Society (founded 1992).
I have always done this annual report representing both positions. THIS REPORT IS DIFFERENT BECAUSE I RESIGNED FROM THE HISTORICAL SOCIETY ON JANUARY 11, 2025. I STILL REMAIN THE TOWN OF MINA HISTORIAN. I still offer my support and volunteer hours as well as all the Saturday regular hours and I am available for appointments. I also attend all the Societies Board Meetings.

Findley Lake Volunteer Firemen's Association, Inc.

January 31, 2026

Town of Mina
Rebecca Brumagin, Town Supervisor
Mina-Findley Lake Community Center
North Rd. PO BOX 38
Findley Lake, NY 14736

Subject: Findley Lake Volunteer Firemen's Association Inc. 2025 Annual Report

Dear Rebecca Brumagin and the Town Board,

In accordance with the requirements set forth in the contract for Fire Service with the Town of Mina, listed below is a summary of the company's activities for the year 2025.

1. Response Calls: There was a total of 145 calls in 2025, with 68% of these being EMS calls.
    a. Total EMS calls: 95
    b. 4 Fire Calls
    c. 19 Mutual Aid Calls
    d. 12 Miscellaneous Calls
    e. 15 Moter Vehicle Accidents
    f. Total Transports: 99
    g. A copy of the call summary report with a breakdown is attached for your review.
2. Equipment purchases:
    a. The department needed to secure funds and purchase a new ambulance in 2025. The work required on the old ambulance far exceeded its value and it was becoming increasingly unreliable. The new A231 ambulance features 4-wheel drive, on-board navigation, enhanced safety features, and a 6.6L 401 HP Chevy engine. This ambulance will serve the community for years to come. Special thanks to our mutual aid partners-Stanley Hose Company, Clymer Volunteer Fire Department, Ripley Hose Company #1 and Bemus Point Fire Department for helping us maintain safety for our community.
    b. Special thanks to Terry and Darla Phelps for donating a new Turtle Fire Device to fight car fires in vehicles with Lithium-Ion batteries. Training on this apparatus has been completed.
    c. Special thanks to the Sorce family for donating 4 (badly needed) Frog Suits to be utilized in cold water rescue.
3. Save our Fire Company Fund (with Erie Community Foundation)

P.O. Box 158 · Findley Lake, NY · 14736

a. Current balance in the fund is $72,935.31 as of the most recent statement available on 12/31/2025. This was the fund that the ambulance purchase was made from, hence the decrease from 2024.
b. A copy of the 2025 statement through 12/31/2025 is attached for your review.

4. All dry hydrants were inventoried, serviced, and no additional maintenance was needed throughout the year 2025.
5. Membership:
    a. At the end of 2025 the department has 8 EMTs, 4 Interior Firefighters, 9 Exterior Firefighters. There remains a critical need for more members, but the organization continues to grow in both quantity and quality of volunteers. This will substantially add to the safety and wellbeing of our community along with our visitors and has improved the morale of the department as well.
    b. Membership Responsibilities: The team conducted weekly training and maintenance initiatives throughout 2025. In addition to serving our community on active emergency calls, many members attended individual training (noted below) on their own time.
6. Financial Statements have been provided to the town board thanks to the ongoing efforts of Scott Bensink, our independent CPA.
7. Billing for ambulance services: As was reported in prior years' annual reports, in 2022 NY passed legislation that Volunteer Fire Departments may bill for their EMS ambulance services. The Governing Board, Department Chiefs and the Volunteers have all voted and approved a partnership with Professional Ambulance Billing (PAB) to manage the billing process beginning in 2024 and continued through 2025. The Governing Board has drafted internal policies that will waive copays, deductibles and coinsurance for all Mina residents and Department Volunteers. PAB remains contracted with FLVFD to provide the billing services for ambulance calls.
8. The Findley Lake Volunteer Fire Department supported the community through several additional events this year, including town events like Memorial Day, the Fourth of July fireworks display, the Harvest Festival and Trunk or Treat. The volunteers again donated nearly the entire day of the 4th of July to prepare and sell hundreds of BBQ chicken dinners. While this is an important annual fundraising tradition, the Governing Board wants to formally recognize the selfless efforts of this dedicated team, each and every year. The Department also held several community events with the Findley Lake businesses and organizations. This includes the Fall Festival, the Alexander's Turkey Trot and other events. We would also like to formally thank Lonnie, Shirley, Kim and the entire staff at Pine Junction along with Bentley Tree Service, The Bentley Initiative, Dave Warren Auto Group, Chautauqua Plumbing, Alexander Co. and KO Boxing Company for their generous donations and fundraising at the Annual Don't Tell Shirley concert. These proceeds benefit both Mina and Sherman.
9. The Board feels it is important to highlight the efforts of the members of the department with information from them directly.
    a. Personnel updates
        i. **3 New EMTs:** Pam Kadish completed her coursework with Chautauqua County EMS and is fully signed off! Morgan Motherwell & Robert McNinch finished their EMT class at JCC in

December and are well on their way to completing their preceptor requirements this winter!

ii. We have also welcomed Kyle Porter as a seasonal EMT working on his NY reciprocity from PA this winter.

b. **Significant training milestones (They have been busy!):**

i. 3 EMT's completed a 3-day course with Southern Tier Health Care to become certified EMT lab instructors. We're looking forward to seeing them teach skills to future EMT's of Chautauqua County.

ii. 2 EMT's completed BE FAST WNY - accelerated stroke awareness training.

iii. 2 EMT's completed a 4-day class for Emergency Vehicle Operations.

i. 1 EMT completed a 2-day Ice Water Rescue Training.

Facts to share:

- Rural response times to 911 EMS calls can be frustratingly long, on average taking between 15 to 26 minutes. Our growing team has some proud news to share - our average response time to our callers in 2025 was 11 minutes. While we often have EMTs and scene support crews arriving even sooner, we track the time it takes for the ambulance to arrive.
- When our phones and pagers go off, we are leaving our hall with the ambulance within 5 minutes. Imagine that - being sound asleep and 5 minutes later being dressed and sitting in an ambulance!

Other fun notes:

- Longest Ride: We were toned out as mutual aid to Corry, PA once!
- Shortest Transfer of Care: We have a few volunteer EMT's who are also Ski Patrollers at Peek n Peak. On one call, our EMT switched from her red patrol jacket to her blue EMT jacket to transfer care... to herself.

In 2025, our alarms sounded 145 times, 120 of those needing some type of EMS assistance. We are 100% volunteer and proud to serve our community in their time of need.

Sincerely,

Mark Craffey & Ericka Garcia-Allison
On behalf of the FLVFD Governing Board

MEMORANDUM

ASSESSOR'S OFFICE

TOWNS OF MINA, SHERMAN & FRENCH CREEK

2883 NORTH RD

P.O. BOX 86

FINDLEY LAKE, NY 14736

Ph: 716-769-7125: Fax: 716-769-7207

TO: **Mina Town Supervisor and Town Board**

FROM: **Heather Young-Deyell, Assessor**

DATE: **January 28, 2026**

SUBJECT: **February Assessor Report**

- There were 2 deeds recorded in the month of December.
- Renewal applications have been mailed to all property owners with exemptions that require annual renewal. March 1, 2026 is deadline to file all applications with the Assessor's Office.

Governor Hochul has signed a bill (S.01183 / A.00074) that allows for local adoption of a disability exemption for Veterans with 100% disability rating.

However, the CRITERIA is not only to be 100% service connection disability but MUST meet the following:

Have a qualifying condition under the NYS Veterans' Services Law, defined as:

- Post-Traumatic Stress Disorder (PTSD), OR
- Traumatic Brain Injury (TBI), OR
- Military Sexual Trauma (MST), OR
- Be discharged LGBT Veteran with an other-than-dishonorable or bad conduct discharge;

AND

- Have a 100% disability rating with a PERMANENT AND TOTAL designation form the VA

AND

- Have a TOTAL Disability based on Individual Unemployability (TDIU) designation from the VA

AND

- Qualify for the VA's Specifically adapted housing grant.

As you can see, there are likely very few- if any that will currently qualify.

THERE IS AN AMENDMENT PROPOSED TO REMOVE THE LOCAL OPTION OF ADOPTION FOR THIS EXEMPTION AND MAKE IT MANDATORY ACROSS THE STATE.

The 2026 Revaluation is nearing completion. Assessment Change notices will be mailed to all property owners with an assessment adjustment in March. Property owners will have the ability to research assessments throughout the town to help determine if their assessment is reasonable. The PROS website for this should be operating at that time. Informal hearings will take place through the website as well. Property owners have will have the ability to upload documents, type a narrative description of the nature of their disagreement, proposed assessment reduction and provide evidence to demonstrate that their new value is excessive. In-person informal hearings will no longer take place. There will be research materials available at the Findley Lake Community Center and the ability to mail your evidence to the Assessor if you do not have access to the internet or are not internet savvy. An informational insert will be placed with all notices including steps to take if you find your new assessment to be unreasonable.

County Legislature is re-visiting the income limit for the "Low-Income Senior Exemption." They are considering increasing from 30,000 to 38,000 annual household income as the threshold for assessor approval of the county portion of the exemption. This is a process that I feel strongly about and have been invited to the Administrative Services Committee Meeting as well as the Audit and Control Meeting to discuss facts/analysis surrounding this proposal.

Thank you all for your continued support.

TOWN CLERK'S MONTHLY REPORT
