

March 12, 2026

The Mina Town Board met on the above date for the Regular Meeting. Supervisor Brumagin called the meeting to order at 7:00 p.m. by leading with the Pledge of Allegiance to the flag. The following members and guests were in attendance:

Present: Rebecca Brumagin.....Supervisor
 Dick Cooper.....Councilman
 Christine Craffey.....Councilwoman
 Brian Sullivan.....Councilman
 Dick Watrous.....Councilman (remote – speaker phone with no vote)

Attended by: Amy Barney, Tim Barney, Alvin Kopta (Highway Superintendent), Andrew Meyerhofer (Square Engineering), Ed Mulkearn (Findley Lake Watershed Foundation), Jeff Park (FLVFD), Marty Proctor (Chautauqua County Legislator), Matt Zarbo (Square Engineering)

Minutes: Motion was made by Councilman Sullivan and seconded by Councilman Cooper to approve the minutes of the February 12th, 2026, Regular Meeting. Motion carried unanimously.

Public Comment re: Agenda Items (Citizens Present and not Present): none

Public Hearing on Proposed Local Law Prohibiting Unreasonable Noise in the Town of Mina:

- Supervisor Brumagin asked Town Clerk Park to read the legal notice for the Public Hearing.
- Supervisor Brumagin opened up the Public Hearing on the Proposed Local Law at 7:05 pm.
 - Jeff Park, FLVFD asked if the use of the fire/rescue boat would be problematic. This is covered in the law under emergency vehicle exceptions.
 - Supervisor Brumagin stated Maplevale Farms has reviewed the proposed law and indicated it had no concerns.
 - Councilwoman Craffey addressed that morning weed harvester and rowing teams could possibly fall within the restricted times.
 - Councilman Sullivan referenced the Town’s vision statement that included musical events and a welcoming community atmosphere and questioned if the proposed law and the vision statement were in conflict.
 - Ed Mulkearn asked if Short Term Rental property owners could face fines and or suspension for repeated offenses by renters.
- With no further comments to be heard, Supervisor Brumagin closed the Public Hearing at 7:20 pm.

Public Hearing on Proposed Local Law Local Government Code Enforcement Program:

- Supervisor Brumagin asked Town Clerk Park to read the legal notice for the Public Hearing.
- Supervisor Brumagin opened up the Public Hearing on the Proposed Local Law at 7:20 pm.
- As there were no comments, the Public Hearing was closed at 7:22 pm.

Sewer Project Update:

- Matt Zarbo and Andrew Meyerhofer of Square Engineering reviewed maps of the low-pressure and gravity sewer main areas.
 - Odor control stations may be incorporated at some of the pumpstations. Summertime presents the higher potential for odors, but this will likely be offset by the higher volume of usage, creating less stagnation in the lines. Odor control stations could potentially be placed at some of the pump stations if greater odor control is required.
 - A new water well may be more cost effective at the site of the Wastewater Treatment Plant as opposed to enhancing the well currently on site.
 - Bids for the Wastewater Treatment Plant and the Sewer Lines will be accepted this summer, with heavy construction to begin in late fall or next year.

Grants Report:

- In addition to the grants report included in the Board Packet, Supervisor Brumagin reported:
 - Architect Paul Hagman is assisting Supervisor Brumagin with the Ralph Wilson Community Hub grant for the Community Center entryway design.

- Ed Mulkearn will attend the County Planning and Economic Development Committee meeting on Wednesday, March 18th, to provide information on the Town's Lake Oxygenation Grant request.
- The Appalachian Regional Commission Grant is being used to convert to in-house payroll and accounting systems, using Williamson Law Book Company (the company already being utilized for the Town Clerk and Tax Collection programs).
- The 2026 NY Forward Grant / DRI has not been announced yet for the Western Region.
- Bailey Hill Culvert Replacement to take place this spring / summer.
- Requests are being submitted to Congressman Langworthy and Senator Schumer for fiscal year 2027 Congressional Directed Spending to support the renovation of the highway building into a fire station.

Old Business:

- Website & Email Accounts will be changed to “.gov” on March 13th. The “.org” email extension will automatically forward to the “.gov” extension. Southern Tier Graphics will facilitate the transition.
- The Towns of Westfield and Sherman have already closed their portions of Klondyke Road. The Town of Ripley will be holding a Public Hearing on the issue and the Town of Mina will consider the request to close the road at a future meeting.
- Supervisor Brumagin and Councilman Cooper met with Consultants Lynda Quick, Esq. and Daniel White from White and Partners LLC on the CSP Merger Study. It was noted that if the schools do not merge, all three school districts will run a deficit of \$2 million each within 5 years, in part due to the state aid being cut in half.

Correspondence:

- NYS Department of Transportation is requesting early coordination for any pertinent local projects.
- Findley Lake Watershed Foundation re: Herbicide Treatment. Plans are underway to begin treating weeds in May and water use restrictions will be advertised in advance of applying the treatment.
- Governor Hochul announced EXPRESS NY, a new statewide effort to streamline regulations and improve how government works. A portal for suggestions will be open until April 3rd.
- The New York Association of Towns sent a notification that municipal resident email lists are not subject to FOIL (Freedom of Information Law) disclosure, per a recent ruling by the New York Court of Appeals.

Reports:

- Highway / Cemetery Committee – Councilman Watrous reported that the final phase of the tree removal at the cemetery will be postponed until after maple syrup season is over as some of the trees have been tapped.
- Highway Superintendent Kopta reviewed the asphalt bids and has decided on H.H. Rauh Paving as he feels they have the better product.
- Parks & Recreation Committee will be meeting next week.
- Assessor – The Assessor's report was included in the Town Board packet.
 - There was only one deed recorded in the month of January.
 - The Senior Tax Exemption has been increased by the county from \$30,000 to \$32,000.
 - The 2026 Revaluation is complete and change notices will be mailed around March 20th.
 - No local action is required for the Disabled Veterans Property Tax Exemption as the exemptions are approved or denied by the State.
- Town Justice – With an increase in the number of hearings, additional Deputy Sheriff security hours are needed. This may have an impact on the 2027 budget for all four Towns (Clymer, French Creek, Mina and Sherman).
- Community Center – The Young at Heart Conference Room may be added to the list of spaces available to rent. A fee will need to be determined for this.
- Town Clerk / Tax Collector – The Town Clerk's report was included in the board packet reporting the collection of fees and sales of \$1,322 for the month of February. She paid the Supervisor \$493.17, NYS Ag and Markets for dogs \$25 and NYS DEC \$803.83. She stated she is not applying for the NYS Records Management Grant this year. Time and thought should be put into what is actually needed for storage of both inactive and permanent records the town already has as well as planning for future needs.
- Code Enforcement Officer / Building Inspector – Tom McNinch's report was included in the board packet.

- Supervisor – Supervisor Brumagin reviewed the February 2026 financial report included in the board packet as well as the NY Class investment balances.

Community Updates:

- Findley Lake Volunteer Fire Department – Jeff Park reported the Governing Board of Directors has welcomed new member Matt Wise, filling the vacancy from the resignation of Terry Winfield. Motion was made by Councilman Sullivan and seconded by Councilman Cooper to approve this appointment to the governing board. The motion carried.
 - The Board is in the process of revising the Fire Department Bylaws and should have them ready for review in another month.
 - Grants to upgrade the ambulance equipment to paramedic level are being researched. This would include the purchase of a 12-lead defibrillator to replace outdated equipment on hand.
 - Replacement of the 1992 Pumper Truck is being evaluated.
- Findley Lake Watershed Foundation – Motion was made by Councilwoman Craffey and seconded by Councilman Sullivan to support the Watershed Foundation in 2027 in the amount of \$10,000, \$5,000 for herbicide treatment for weeds and \$5,000 for the seasonal operation of the weed harvester. The motion carried.
- National Grid – Property has been secured at Bailey Hill Road and Route 430 to enhance electric capabilities in our community. A temporary storage yard will be staged on the property, and the company will begin forestry and site grading work. Later this year, new utility poles and related equipment will be installed on this site. In the fall, National Grid will begin upgrading and modernizing assets along School Street and North on Route 426. The project is scheduled to be completed next spring. It was noted that this project will not impact electricity rates in our community as it is part of National Grid's Community Focused Projects initiative.

New Business:

- The Boy Scouts Charter is being transferred to the Historical Society.
- Health Insurance – Supervisor Brumagin suggested the Town Board assess what's being offered by other municipalities throughout Chautauqua County. Also, looking into the possibility of working with other towns to create a larger pool and potentially reduce costs.
- Memorial Day Program Speaker – Norman Carlson has been confirmed as the speaker for the Memorial Day Program. He serves as the Chautauqua County Historian and will speak on "Chautauqua County's Connection to the Revolutionary War".
- Revise Credit Card Policy – Supervisor Brumagin stated there is a need to revise the credit card policy and increase the spending cap as larger purchases can sometimes be made more efficiently using a card.
- Error on NEA Cross Natural Gas Bills – The delivery charge on the NEA Cross Gas bills was erroneously increased from 0.55 cents to \$1.98 per 100 cubic feet. This has impacted all users in the Town of Mina.

Local Laws:

- Proposed Local Law – A LOCAL LAW TO PROHIBIT ALL UNREASONABLE NOISE FROM ALL SOURCES TO PRESERVE, PROTECT AND PROMOTE THE HEALTH, SAFETY AND WELFARE, AND THE PEACE, QUIET, COMFORT AND REPOSE OF ALL PERSONS WITH THE TOWN OF MINA
 - Motion was made by Councilman Cooper and seconded by Supervisor Brumagin to adopt the local law with a change in quiet time hours from 10:00 pm to 11:00 pm.
 - Roll call vote –
 - Supervisor Brumagin – Aye
 - Councilman Cooper - Aye
 - Councilwoman Craffey – Nay
 - Councilman Sullivan – Nay
 - Proposed local law failed.
- Proposed Local Law – A LOCAL LAW PROVIDING FOR THE ADMINISTRATION AND ENFORCEMENT OF THE NEW YORK STATE UNIFORM FIRE PREVENTION AND BUILDING CODE AND THE STATE ENERGY CONSERVATION CONSTRUCTION CODE
 - Motion was made by Councilman Sullivan and seconded by Councilwoman Craffey to approve the proposed law.
 - Roll call vote –
 - Supervisor Brumagin – Aye

- Councilman Cooper - Aye
 - Councilwoman Craffey – Aye
 - Councilman Sullivan – Aye
- Local Law approved – will be recorded as Local Law #3-2026.
- Motion was made by Councilwoman Craffey and seconded by Councilman Sullivan to advance Proposed Local Law #4-2026 to Public Hearing; A LOCAL LAW CHANGING GRIEVANCE DAY IN 2026
 - Roll call vote –
 - Supervisor Brumagin – Aye
 - Councilman Cooper - Aye
 - Councilwoman Craffey – Aye
 - Councilman Sullivan – Aye
 - Motion carried.

**TOWN OF MINA
PROPOSED LOCAL LAW NO. 4 of 2026
A LOCAL LAW CHANGING GRIEVANCE DAY IN 2026**

Be it enacted by the Town Board of the Town of Mina, in the County of Chautauqua, as follows:

Section 1. Legislative Authority.

This local law is enacted pursuant to New York Real Property Tax Law §512, which enables a Town to enact a local law to change grievance day from the fourth Tuesday of May. This local law supersedes and is in place of the date for the hearing of complaints set forth in subsection 10 §512 of the Real Property Tax Law.

Section 2. Legislative Intent.

The Town of Mina in the County of Chautauqua employs an assessor who is at the same time employed by other assessing units. Pursuant to the authority granted by §512, Subdivision 1-a of Real Property Tax Law, the Town of Mina desires to establish a date for the meeting of the Board of Assessment Review in 2026 other than that provided in Subdivision 1 of §512 of the Real Property Tax Law.

Section 3. Grievance Day Established.

The Town of Mina hereby adopts as and for its Grievance Day for 2026 as the first Wednesday of June – June 3, 2026 from 4-8 pm and as many days thereafter as the Board of Assessment Review deems necessary when such Board shall meet to hear complaints in relation to assessments pursuant to §512 of the Real Property Tax Law.

Section 4. Inconsistency.

All other laws and ordinances of the Town of Mina that are inconsistent with the provisions of this local law are hereby repealed; provided however, that such repeal shall only be to the extent of such inconsistency and in all other respects this local law shall be in addition to such other local laws or ordinances regulating and governing the subject matter covered by this local law.

Section 5. Severability.

If any portion of this Local Law or the application thereof shall be adjudged by a court of competent jurisdiction to be invalid or unconstitutional, such order or judgement shall not affect, impair or invalidate the remaining portions of this Local Law.

Section 6. Effective Date.

This local law shall become effective immediately upon filing with the New York State Secretary of State in conformity with NYS Municipal Home Rule Law.

- Motion was made by Councilwoman Craffey and seconded by Councilman Cooper to advance Proposed Local Law #5-2026 to Public Hearing. A LOCAL LAW ENACTING A TEMPORARY MORATORIUM ON BATTERY ENERGY STORAGE SYSTEM FACILITIES

- Roll call vote –
 - Supervisor Brumagin – Aye
 - Councilman Cooper - Aye
 - Councilwoman Craffey – Aye
 - Councilman Sullivan – Aye
- Motion carried.

TOWN OF MINA
PROPOSED LOCAL LAW NO. 5 of 2026
A LOCAL LAW ENACTING A TEMPORARY MORATORIUM ON
BATTERY ENERGY STORAGE SYSTEM FACILITIES REPLACING
LOCAL LAW #1-2025 AND RESOLUTION #30-25

Section 1. Short Title.

This local law shall be cited as Local Law No. 5 of 2026 of the Town of Mina and is entitled the “2026 Temporary Moratorium Law on Battery Energy Storage System Facilities”. This local law replaces Local Law #1-2025 effective May 2, 2025, and replaces Resolution #30-25 extending the moratorium for six months until May 2, 2026.

Section 2. Legislative Findings.

WHEREAS, communities in Chautauqua County are witnessing the introduction of a previously unfamiliar form of Green-adjacent technology in the form of Battery Energy Storage Systems, or “BESS; and

WHEREAS, BESS facilities generally consist of rows of rechargeable batteries housed in self-contained, interconnected storage units. BESS facilities typically operate by drawing surplus energy from the local power grid during periods of low usage and storing it for later distribution back into the grid during peak demand; and

WHEREAS, the Town of Mina and local fire companies have raised concerns regarding BESS facilities over the presence of highly flammable substances, such as from lithium-ion batteries, and possible air and groundwater contamination; and

WHEREAS, Governor Kathy Hochul announced the creation of a state interagency working group tasked with ensuring the safety of battery energy storage systems across New York; and

WHEREAS, NYSEDA (New York State Energy Research and Development Authority) released a New York State Battery Energy Storage System Guidebook for Local Governments in February 2026; and

WHEREAS, the Mina Town Board requires additional time to review the guidebook including a model BESS law for local governments to consider; and

WHEREAS, the Mina Town Board has requested that the Findley Lake Volunteer Fire Department review the updated guidebook and report on the impact to the department of allowing BESS Facilities in the Town of Mina; and

WHEREAS, the Town Board plans to seek input from the Chautauqua County Hazmat Team as to the implications to the Town of Mina of allowing BESS Facilities; and

WHEREAS, the Town Board finds it imperative that the Town undertake a thorough examination of these systems to identify any possible threats to public health, safety and welfare as well as evaluate the potential for environmental degradation; and

WHEREAS, other potentially significant planning concerns associated with BESS Facilities such as noise generated by cooling fans may affect the quality of life of our residents; and

WHEREAS, it is essential for the Town of Mina to enact a temporary moratorium to carefully evaluate the implications of BESS Facilities and assess how they may impact the Town, its residents, and its fire prevention infrastructure; and

WHEREAS, the Town Board of the Town of Mina has determined that in accordance with Section 617.5©(30) SEQR the adoption of a moratorium on applications for building permits and/or

certificates of occupancy for land development or construction of Battery Energy Storage System Facilities constitutes a Type II Action, and further that the proposed moratorium has been identified as an Action not having a significant impact on the environment and is not subject to review under SEQRA.

NOW THEREFORE BE IT RESOLVED that the Town of Mina shall implement a moratorium to allow for a comprehensive and deliberate examination of BESS facilities and the state inter-agency working group as well as NYSERDA Guidelines, with the aim of preserving the Town's ability to address the unique needs and concerns of our community in the realm of battery energy storage system regulations.

Section 3. Authority.

This moratorium is enacted by the Town Board of the Town of Mina pursuant to its authority to adopt local laws under Article IX of the New York State Constitution and Municipal Home Rule Law Section 10.

Section 4. Moratorium.

- A. For a period of six (6) months from the effective date of this Local Law, no applications shall be accepted or considered by the Town of Mina for any battery energy storage system facilities, or stand-alone.
- B. This moratorium may be extended by one (1) additional period of up to six (6) months by resolution of the Town Board upon a finding of the necessity for such extension.

Section 5. Variances.

The Town Board shall have the authority, after a public hearing, to vary or modify the application of any provision of the Local Law upon its determination that strict application of the Local Law would impose practical difficulties or extraordinary hardships upon an applicant and that the variance granted would not adversely affect the health, safety, or welfare of the citizens of the Town or significantly conflict with the general purpose and intent of this Local Law. Any request for a variance shall be in writing and filed with the Town Clerk and shall include a fee of Two Hundred Fifty Dollars (\$250.00) for processing of such application. All such applications shall promptly be referred to the Town Board, which shall conduct a Public Hearing on the application on not less than five (5) days public notice and shall make its decision within thirty (30) days after the close of the Public Hearing.

Section 6. Severability.

The invalidity of any word, section, clause, paragraph, sentence, part or provision of this Local Law shall not affect the validity of any other part of this Local Law which can be given effect without such invalid part or parts.

Section 7. Repeal of Other Laws.

All local laws in conflict with provisions of this Local Law are hereby superseded and suspended for the duration of this moratorium and for any additional period that this Local Law is extended. This Local Law also supersedes, amends and takes precedence over any inconsistent provisions of the New York State Town Law, the Town's Municipal Home Rule powers, pursuant to Municipal Home Rule Law Sections 10 and 22. The Town Law provisions intended to be superseded include all of the Article 16 of the Town Law, Sections 261-285 inclusive and any other provisions of law that the Town may supersede pursuant to the Municipal Home Rule Law and the Constitution of the State of New York. The courts are directed to take notice of this legislative intent and to apply such intent in the event the Town has failed to specify any provisions of law that may require supersession. The Town Board hereby declares that it would have enacted this local law and superseded such inconsistent provisions had it been apparent.

Section 9. Effective Date.

This Local Law shall take effect immediately, as provided by law, upon filing with the New York State Secretary of State.

- Motion was made by Councilman Sullivan and seconded by Councilwoman Craffey to advance Proposed Local Law #6-2026 to Public Hearing. A LOCAL LAW ENACTING A MORATORIUM ON WIND ENERGY CONVERSION SYSTEMS
 - Roll call vote –
 - Supervisor Brumagin – Aye
 - Councilman Cooper - Aye
 - Councilwoman Craffey – Aye
 - Councilman Sullivan – Aye
 - Motion carried.

**TOWN OF MINA
PROPOSED LOCAL LAW NO. 6 of 2026
A LOCAL LAW ENACTING A MORATORIUM ON
WIND ENERGY CONVERSION SYSTEMS REPLACING
LOCAL LAW #2-2025 AND RESOLUTION #29-25**

Section 1. Enactment and Title.

The Town Board of the Town of Mina does hereby enact the Town of Mina Moratorium on Wind Energy Conversion Systems Law. This Local Law shall impose a moratorium on applications or proceedings for applications for, the review of application for, or the issuance of approvals or permits for the construction of any Wind Energy Conversion System within the Town of Mina for roughly six months. Technology has evolved so that the Town may be susceptible to the placement of large-scale wind energy conversion systems under Section 94-c of New York’s Executive Law. The Town Board finds it imperative that the Town undertake a thorough examination of these systems to identify any possible threats to public health, safety and welfare as well as evaluate the potential for environmental degradation.

The capitalized terms in the foregoing sentence, and as used throughout this Local Law, shall have the following meanings ascribed to them:

Wind Energy Conversion System – A system of components which converts the kinetic energy of the wind into electrical or mechanical power and which comprises all necessary components, including energy storage, power conditioning, control systems, transmission systems (where appropriate) and structural support systems, to provide electricity or mechanical power for agricultural, residential, commercial, industrial, utility or governmental use.

Section 2. Authorization, Purpose and Intent.

Pursuant to the authority and provisions of the New York State Constitution, and Section 10 of the Municipal Home Rule Law, and the statutory powers vested in the Town of Mina to regulate and control land use and to protect the health, safety and welfare of its residents, the Town Board (the “Board”) of the Town of Mina hereby declares a moratorium on applications or proceedings for applications for, the review of applications, or the issuance of approvals or permits for the construction of Wind Energy Conversion Systems within the Town of Mina (the “Town”), for a period of six (6) months from the effective date of this Local Law. This local law replaces Local Law #2-2025 “A Local Law Enacting a Moratorium on Wind Energy Systems effective May 2, 2025, and Resolution #29-25 extending the moratorium for six months until May 2, 2026.

This moratorium will allow time for Town officials to review, clarify, amend, and update the Town’s regulations for wind energy conversion systems, particularly with regard to where such development may be located in the Town. Additionally, this moratorium will allow the Town to adopt such other regulations as may be necessary to promote and preserve the health, safety and welfare of the Town and its citizens.

Section 3. Scope of Controls.

During the effective period of this Local Law:

- A. Neither the Town Board nor any Town Staff shall conduct any review or consider or grant any permit or other approval that will result in the approval, establishment or construction of any Wind Energy Conversion System within the Town.
- B. To the extent permitted by law, this moratorium shall supersede all relevant provisions of the New York State Town Law, the New York State Building Code, any relevant Town local law and any other applicable law, rule or regulation, that may be in conflict

herewith. If any ambiguity or conflict exists, this local law shall govern, and the presumption shall in each case be that the moratorium is in effect.

Section 4. No Consideration of New, Revised, or Renewal Applications.

No new, revised, or renewal applications shall be accepted for filing, review, or consideration, and no site plans, authorizations, special permits, permits, building permits, waivers or other approvals that purport to allow or advance the development, siting, or construction of any Wind Energy Conversion System shall be undertaken, reviewed, considered or issued by any board, officer, employee or agent of the Town. Nor shall any language or term in this moratorium effect, or be construed to result in, any default approval, and any matter now pending shall be stayed in place during the pendency of this moratorium, with all deadlines or other timeliness suspended for the same number of days that this moratorium is in effect.

Section 5. Term.

The moratorium imposed by this Local Law shall be in effect for a period of six (6) months from the effective date of this Local Law. This moratorium may be extended by one (1) additional period of up to six (6) months by resolution of the Town Board upon a finding of the necessity for such extension.

During the period of this moratorium the Town shall review the NYSERDA Wind Energy Guidebook for Local Governments and seek outside council for the purpose of adopting changes to the Town of Mina's code with regard to the siting, establishment and construction of Wind Energy Conversion Systems; and

Section 6. Location.

The moratorium imposed by this Local Law shall apply to the territorial limits of the Town of Mina. Any Dispute as to whether a property is encompassed within the geographic area detailed above shall be resolved by reference to the official tax maps of Chautauqua County and the official New York corporate boundary maps for the Town of Mina.

Section 7. Validity.

The invalidity of any provision of the Local Law shall not affect the validity of any other provision of this Local Law that can be given effect without such invalid provision.

Section 8. Effective Date.

This Local Law shall take effect immediately, as provided by law, upon filing with the New York State Secretary of State.

Public Comment (Citizens Present and Citizens Not Present):

- Jeff Park offered clarification of the comment he made earlier about the ambulance being properly equipped so that when a paramedic is available, the equipment is already there. However, at this time the department does not have members with paramedic qualifications, but can be supported by county medical personnel for advanced life support calls.
- Tim Barney asked why the current zoning law prohibits adding a roof to an existing deck and what it would take to change the law.

Payment of Monthly Claims / Transfers:

- The monthly claims for March were examined. Councilman Sullivan moved, seconded by Councilman Cooper, to pay the monthly claims – General Fund #57 through #84 in the amount of \$124,376.88, Highway Fund #29H through 41H in the amount of \$9,083.68 and Sewer Fund #4S in the amount of \$57,358.12. Motion carried unanimously.
Ayes – 4 Brumagin, Cooper, Craffey, Sullivan
Nays - 0

Executive Session:

- The Town Board entered into Executive Session for personnel matters and potential litigation at 9:39 p.m. upon motion by Councilman Sullivan and second by

Councilwoman Craffey. At 10:28 p.m. motion was made by Councilman Sullivan and seconded by Councilwoman Craffey to return to Regular Session.

Other Business / Actions:

- A Special Meeting has been scheduled for Saturday May 16th at 9 am as a Public Meeting for updates on the Sewer District progress.
- The next Regular Meeting is scheduled for April 9th, 2026, at 7 p.m. Public hearings will be held on that date for public input on proposed Local Laws #4-2026, #5-2026 and #6-2026.

Public Comment (Citizens Present and Citizens Not Present): None

Adjournment:

As there was no further business to come before the Board, motion was made by Councilwoman Craffey to adjourn the meeting at 10:38 p.m.

Respectfully submitted,

Marcellanne Park
Town Clerk
