

TEXT YOUR COUNTY OR BOROUGH TO

333111

To Receive Real-Time Emergency & Weather Alerts

NEW YORK STATE | Homeland Security and Emergency Services

Text 333111 for Emergency and Weather Alerts!

There is a new and easy way to get emergency and weather text alerts from the Division of Homeland Security and Emergency Services (DHSES) for events happening in your county or borough.

It's **FREE** to sign up! The system works with all cell phone carriers.

After you sign up, you will receive texts for emergency and weather alerts in your area including:

- Severe weather alerts, expected impacts, and guidance and tips to stay safe
- Significant and widespread power outages
- Information about response activities such as shelter locations, warming centers, and water distribution

How to Sign Up

Text 333111 with your county or borough name

- DO NOT include the word COUNTY or BOROUGH - you will receive an error message.
- DO NOT include spaces or punctuation marks - type the county or borough name.
- It is not case sensitive.

To receive texts about multiple counties:

- Text each county or borough name separately to **333111**.

To receive texts for the entire state:
Text **NEWYORKSTATE** to **333111**.

How to stop getting alerts

- Text **STOP** to **333111** and follow the prompts.
- To opt out of emails, click the "Unsubscribe" button at the bottom of the email.

Cost
There is no charge to register for alerts; however, cell carriers' message and data rates may apply.

Signing up is private. New York State has no ability to track or monitor your activity or personal data in any way.
