

ATTACHMENT A-1

New York State Department of State (1/16/24)

Agency Specific Clauses

For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

A. Project Timetable

The Contractor agrees to proceed expeditiously with the Project and to complete the Project in accordance with any timetable associated therewith as set forth in the Work Plan (Attachment C) as well as with the conditions of any applicable permits, administrative orders, or judicial orders and this Agreement.

B. Budget Modifications

Prior DOS written approval is required for all requests for budget modifications, regardless of the amount of the modification, or where the proposed modification will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contract. All requests for modifications must be done in writing and requires a detailed breakdown of requested changes and justification for the request. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

C. Documentation of Performance

In addition to the criteria set forth in Section III(E)(1)(b) of the NYS Contract for Grants, documentation of personal service expenditures shall:

1. Be based upon actual work performed;
2. Be supported by internal controls that provide a reasonable assurance that the charges are accurate, allowable, and properly allocated; and

3. Comply with the Contractor's established accounting policies and conform to generally accepted accounting principles.

D. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable, nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this Agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

E. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II(A)(3) of the NYS Contract for Grants, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. The ownership of all property purchased with federal funds provided pursuant to this Agreement, however, shall be governed by the terms of applicable federal law including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," as amended.

In addition to the requirements of Section III(D)(4) of the NYS Contract for Grants, the Contractor shall maintain an inventory of all property purchased under this Agreement and owned by the Contractor. Such inventory shall be retained by the Contractor for the time period specified in Section III(E)(1) and available for inspection and copying by the State.

F. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in Section II(A) of the NYS Contract for Grants. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within forty-five (45) days after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded or the Department may pursue any other remedies available to the State.
2. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
3. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

G. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://apps.labor.ny.gov/EDList/searchPage.do>) or is listed on the New York State Office of General Service's list of companies with which New York State cannot do business (available at <https://ogs.ny.gov/debarred-and-non-responsible-entities>); (2) is listed as an entity debarred from federal contracts (available at: sam.gov); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>).

In addition, Contractor agrees that it shall immediately suspend or terminate any subcontract entered into for the performance of work in furtherance of this Contract if at any time during the term of such subcontract the subcontractor: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://apps.labor.ny.gov/EDList/searchPage.do>) or is listed on the New York State Office of General Service's list of companies with which New York State cannot do business (available at <https://ogs.ny.gov/debarred-and-non-responsible-entities>); (2) is listed as an entity debarred from federal contracts (available at: sam.gov); or (3) fails to maintain requisite workers compensation or disability insurance coverage (see <http://www.wcb.ny.gov>). Contractor agrees that any such

suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.

2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract including, but not limited to the terms of the Agreement, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. In addition to the requirements of Section III(B)(2) of the NYS Contract for Grants, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract. Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

H. Compliance with Procurement Requirements

1. All contracts by municipalities for service, labor, and construction involving not more than \$35,000 and purchase contracts involving not more than \$20,000 are subject to the requirements of General Municipal Law §104-b, which requires such contracts to comply with the procurement policies and procedures of the municipality involved. All such contracts shall be awarded after and in accordance with such municipal procedures, subject to the MWBE requirements as set forth in Section M, SDVOB requirements set forth in Section N, and any additional requirements imposed by the State as set forth in this Agreement.

The municipal attorney, chief legal officer or financial administrator of the Contractor shall certify to the Department of State that applicable public bidding

procedures of General Municipal Law §103 were followed for all service, labor, and construction contracts involving more than \$35,000 and all purchase contracts involving more than \$20,000. In the case of contracts by municipalities, service, labor, and construction contracts involving not more than \$35,000 and purchase contracts involving not more than \$20,000, the municipal attorney, chief legal officer or financial administrator shall certify that the procedures of the municipality established pursuant to General Municipal Law §104-b were fully complied with, in addition to the MWBE requirements as set forth in Section M, SDVOB requirements set forth in Section N, and any additional requirements imposed by the State as set forth in this Agreement.

2. For non-municipal entities, the chief legal officer or financial administrator of the Contractor shall certify to the State that alternative proposals and quotations for professional services were secured by use of written requests for proposals through a publicly advertised process satisfactory to meet the MWBE requirements set forth in Section M, SDVOB requirements set forth in Section N, any additional requirements imposed by the State as set forth in this Agreement, any applicable law, and its own policies.

I. Vendor Responsibility Determinations

A Vendor Responsibility Questionnaire and Certification is required for certain contracts. This Questionnaire is designed to provide information to assist the contracting agency in assessing a Contractor's responsibility, prior to entering into a contract, and must be completed and submitted electronically or returned with the contract. Contractor is invited to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at <http://osc.state.ny.us/vendrep/index.htm>. For direct VendRep System user assistance, the Office of the State Comptroller's Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Vendors opting to file a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact the Department of State or the Office of the State Comptroller's Help Desk for a copy of the paper form.

J. State Attorney General Charities Registration

In accordance with the Estates, Powers and Trust Law § 8-1.4 (s), the Contractor certifies that it is in compliance with the requirements of Estate, Powers and Trusts Law sections 8-1.4 (d), (f), and (g), if applicable, regarding organizations which administer property for charitable purposes registering and filing periodic reports (together with the appropriate filing fees) with the New York State Attorney General's Charities Bureau. This certification is a material representation of fact upon which reliance was placed by the Department of State in entering into this Agreement with the Contractor.

The Contractor agrees that it will provide immediate written notice to the Department of State if at any time it learns that this certification was erroneous when made or has become erroneous by reason of changed circumstances.

K. Records Access

The Contractor shall make such records available for review by the Department upon request at any time. The Department shall have the right to conduct progress assessments and review books and records as necessary. The Department shall have the right to conduct an on-site review of the Project and/or books and records of the Contractor prior to, and for reasonable time following, issuance of the final payment. The Department shall be entitled to disallow any cost or expense, and/or terminate or suspend this Agreement, if the Contractor has misrepresented any expenditures or Project activities in its application to the Department, or in this Agreement, or in any progress reports or payment requests made pursuant hereto. The Contractor shall maintain such books and records in a manner so that reports can be produced therefrom in accordance with generally accepted accounting principles. The Contractor shall maintain separate financial books and records for all funds received through the Department pursuant to this Agreement.

L. Notices

Pursuant to Section I(G) of the NYS Contract for Grants, notice hereunder shall be addressed as follows:

1. Notice to the State

Name: Laurissa Garcia
Title: Contract Management Specialist 2
Agency: Department of State
Division: Office of Planning, Development and Community Infrastructure
Address: 99 Washington Avenue, Suite 1010
Albany, NY 12231
Phone: 518-948-0414
Email Address: opdcontracts@dos.ny.gov

2. Notice to the Contractor

Name: Randy Shayler
Title: Mayor
Affiliation: Village of Wellsville
Address: 23 North Main Street
Wellsville, NY 14895
Phone: 716-498-9658
Email Address: mayorshayler@wellsvilleny.com

M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR") for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject Contract (the "Contractor" and the "Contract," respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the "Agency"), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for New York State-certified minority and women-owned business enterprises ("MWBEs"). The Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") and other applicable federal, state, and local laws. Contractor agrees that the terms "MWBE," "MBE" and "WBE" as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/>.
- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. The Department's New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise ("MBE") and the Women-owned Business Enterprise ("WBE") utilization goals, are set forth in the Attachment B "Budget", based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in this Agreement, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

- d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR §142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
 - (1) Evidence of outreach to MWBEs;
 - (2) Any responses by MWBEs to the Contractor's outreach;
 - (3) Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 - (4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Agency with MWBEs; and,

- (5) Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

3. Equal Employment Opportunity ("EEO")

- a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

b. In performing the Contract, the Contractor shall:

- (1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
- (2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.
- (3) If the Contractor, or any of the subcontractors does not have an existing EEO policy statement, the Agency may require the Contractor or subcontractor to adopt a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
- (4) The Contractor's EEO policy statement shall include the following language:
 - (a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - (b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "e" of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

c. Form B - Staffing Plan

If the total expenditure of this Contract is in excess of \$250,000, the following provision shall apply:

The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing plan form and submit it as part of their proposal or within a reasonable time, as directed by the Department of State.

d. Form C - Workforce Utilization Report

(1) The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Agency on a monthly basis for construction contracts, and on a quarterly basis for all other contracts, during the term of the Contract.

(2) Separate forms shall be completed by the Contractor and any subcontractors performing work on the Contract.

e. The Contractor shall comply with the provisions of the Human Rights Law, as well as all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, disability, predisposing genetic characteristic, familial status, marital status or domestic violence victim status, or has filed a complaint, testified, or assisted

in any proceeding under the Human Rights Law, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. MWBE Utilization Plan

- a. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan or shall submit an MWBE Utilization Plan at such time as shall be required by the Department of State through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Department of State, either prior to, or at the time of, the execution of the Contract.
- b. The Contractor agrees to adhere to such MWBE Utilization Plan for the performance of the Contract.
- c. The Contractor further agrees that a failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Agency shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

5. Waivers

- a. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Agency (use Form E - Waiver Request). Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Agency shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- b. If the Agency, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section 6, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report (Form F) to the Agency by the 10th day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

The Agency may require the Contractor to use the NYSCS to submit utilization plans, record payments to subcontractors and otherwise report compliance with the provisions of Article 15-A of the Executive Law and regulations. Technical assistance can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

Questions regarding this program should be directed to the Department's Minority and Women-owned Business Program by calling (518) 474-2754. Potential contractors can access the NYS Directory of Certified Minority and Women-owned Business Enterprises on-line through the Empire State Development website at <https://ny.newnycontracts.com>. The Department makes no representation with respect to the availability or capability of any business listed in the Directory.

7. Liquidated Damages - MWBE Participation

- a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.
- b. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - i) All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - ii) All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- c. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency, the Contractor shall pay such liquidated damages to the Agency within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

N. Service-Disabled Veteran-Owned Businesses Participation

Article 3 of Veterans' Services Law, as amended, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 3.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://dos.ny.gov/supplier-diversity>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS) and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Bureau of Fiscal Management – SDVOB Program at dos.sm.sdovb@dos.ny.gov. The directory of certified SDVOB vendors can be found at: <https://sdves.ogs.ny.gov/business-search>.

O. Refunds and Repayments

The Contractor shall promptly return funds due the State, including repayment of unexpended advances or disallowances. The Contractor shall make payment within forty-five (45) days of the end or termination of the Contract or demand from the Department. The Contractor shall reference the contract number with its payment and include a brief explanation of why the refund is made. Refunds shall be made payable to and addressed, as stated below:

Payable to: NYS Department State

Mail to: NYS Department of State, Bureau of Fiscal Management

Address: One Commerce Plaza
99 Washington Ave, Suite 1110
Albany, NY 12210

P. Accessibility Compliance Testing

Accessibility compliance testing pursuant to Section III(H) of the NYS Contract for Grants shall be conducted by the Contractor. Any results or reports of such testing shall promptly be provided by the Contractor to Department.

ATTACHMENT A-2

PROGRAM SPECIFIC TERMS AND CONDITIONS

Program Specific Clauses - Downtown Revitalization Initiative and the New York Forward
(updated 9/1/2024)

A. This Agreement has been entered into pursuant to the following understandings:

1. The Department of State (Department) administers transformative housing, economic development, transportation and community projects through the Downtown Revitalization Initiative (DRI) and the New York Forward (NYF) programs.
2. The State determined to fund Contractor's project, which is described in Attachment C (Program Work Plan).
3. State funds (Funding Amount set forth on the Face Page) for this Project (Attachment C Program Work Plan) are provided pursuant to an appropriation of funds made in the New York State Capital Projects Budget – Dedicated Infrastructure Investment Fund / Infrastructure Investment Account.
4. The Contractor shall request payment and reimbursement of eligible and supportable costs incurred under this Agreement, on an interim basis, and each such payment request will be processed by the Department in accordance with relevant provisions set forth herein, together with the following terms:
 - a. The Department, upon approving each payment request, shall make an interim payment for eligible and supportable costs incurred by the Contractor.
 - b. The final payment request will not be processed by the Department prior to satisfactory completion of the Project.
 - c. The Department can withhold the final 10% of the total amount that may be funded by the State in accordance with this Agreement, until the satisfactory completion of the Project.
5. No liabilities are to be incurred beyond the contract period and no costs will be reimbursed for such liabilities unless all of the following conditions have been met: 1) funds have been reappropriated for the Project in the subsequent State fiscal year, 2) the Department determines that it is in the best interest of the Department and the State to provide additional time to complete the Project and 3) an extension agreement is approved in accordance with applicable laws, rules, and regulations and is executed by all necessary parties.
6. Subject to the availability of funds, determination by the Department that it is in the best interest of the State, and upon mutual written consent of the parties, the State may provide a no-cost time extension. The parties shall revise or complete the appropriate

appendix forms or agreements, which may be subject to approval of the Office of the State Comptroller.

7. The Contractor has demonstrated its ability to finance its share of the Project and has agreed to fund its portion of the cost of the Project.

B. Additional Requirements for Construction Projects

1. Project design, including preparation of final plans and specifications, and supervision of construction shall be undertaken by a qualified architect and/or engineer licensed to practice in the State of New York. The Contractor shall submit final plans and specifications to the Department for its acceptance before initiating construction work or, if the Contractor intends to subcontract for construction work, before the work is advertised for bidding. No change to project plans may be made without the prior written approval of the Department. The Contractor shall also be responsible for erecting a project sign satisfactory to the Department identifying the Department's funding of the Project. The project sign shall remain in place for the useful life of the improvements undertaken pursuant to this Agreement. Upon completion of the Project, the Contractor shall submit to the Department a proper certification from a licensed architect or engineer.
2. The State shall make periodic inspections of the project both during its implementation and after its completion to ensure compliance with this Agreement. The Contractor shall allow the State unrestricted access to work during the preparation and progress of the work, and provide for such access and inspection by the State in all construction contracts relating to the project.
3. The Contractor shall be responsible for ensuring that the project is designed and constructed in conformance with the Uniform Federal Accessibility Standards (UFAS - Appendix A to 41 CFR part 101-19.6), the Americans with Disabilities Act Accessibility Guidelines (ADAAG - Appendix A of Title 9 NYCRR). Where there are discrepancies among the sets of standards with regard to a particular design/construction requirement, the one providing for the greatest degree of accommodation for the disabled shall apply.

C. Contractors Insurance Requirements

1. Prior to the commencement of the work, the Contractor shall file with the Department of State, current Certificates of Insurance evidencing compliance with all requirements contained in this Agreement. Such certificate shall be of form and substance acceptable to the Department.
2. Acceptance and/or approval by the Department does not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under the Agreement.

3. All insurance required by the Agreement shall be obtained at the sole cost and expense of the Contractor; shall be maintained with insurance carriers licensed to do business in New York State; shall be primary and non-contributing to any insurance or self-insurance maintained by the Department; shall be endorsed to provide written notice be given to the Department, at least thirty (30) days prior to the cancellation, non-renewal, or material alteration of such policies, which notice, evidenced by return receipt of United States Certified Mail which shall be sent to New York State Department of State, One Commerce Plaza, 99 Washington Avenue, Albany, New York 12231-0001; and shall name the People of the State of New York and their directors officers, agents, and employees as additional insureds thereunder.
4. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject.
5. Each insurance carrier must be rated at least "A" Class "VII" in the most recently published Best's Insurance Report. If, during the term of the policy, a carrier's rating falls below "A" Class "VII", the insurance must be replaced no later than the renewal date of the policy with an insurer acceptable to the Department and rated at least "A" Class "VII" in the most recently published Best's Insurance Report.
6. The Contractor shall cause all insurance to be in full force and effect as of the date of this Agreement and to remain in full force and effect throughout the term of this Agreement and as further required by this Agreement. The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.
7. Not less than thirty (30) days prior to the expiration date or renewal date, the Contractor shall supply the Department updated replacement Certificates of Insurance, and amendatory endorsements.
8. Unless the Contractor is self-insured, Contractor shall, throughout the term of the Agreement or as otherwise required by this Agreement, obtain and maintain in full force and effect the following insurance with limits not less than those described below and as required by the terms of this Agreement, or as required by law, whichever is greater (limits may be provided through a combination of primary and umbrella/excess policies). Where Contractor is self-insured, the Contractor shall provide suitable evidence of such to the Department relating to the risks and coverage amounts as provided hereunder.
 - a. Comprehensive Liability Insurance with a limit of not less than \$1,000,000 for each occurrence. Such liability shall be written on the Insurance Service Office's (ISO) occurrence form CG 00 01, or a substitute form providing equivalent coverages and shall cover liability arising from premises operations, independent contractors, products-completed operations, broad form property damage, personal & advertising injury, owners & contractors protective, cross liability coverage,

liability assumed in a contract (including the tort liability of another assumed in a contract) and explosion, collapse & underground coverage.

- 1) If such insurance contains an aggregate limit, it shall apply separately to this location.
 - 2) Products and Completed Operations coverage shall include a provision that coverage will extend for a period of at least twelve (12) months from the date of final completion and acceptance by the owner of all of Contractors work.
- b. Where the Project described in Attachment C includes the construction of any structure or building, a Builder's Risk Policy until the Project is completed and accepted in the amount of the total project cost.
 - c. Workers Compensation, Employers Liability, and Disability Benefits as required by New York State. Workers Compensation Policy shall include the U.S. Longshore & Harbor Workers' Compensation Act endorsement.
 - d. Comprehensive Automobile Liability Insurance with a limit of not less than \$1,000,000 for each accident. Such insurance shall cover liability arising out of any automobile including owned, leased, hired and non-owned automobiles.
 - e. Commercial Property Insurance covering at a minimum, the perils insured under the ISO Special Clauses of Loss Form (CP 10 30), or a substitute form providing equivalent coverages, for loss or damage to any owned, borrowed, leased or rented capital equipment, tools, including tools of their agents and employees, staging towers and forms, and property of the Department held in their care, custody and/or control.
 - f. An Owner's Protective Liability Policy with limits no less than \$1,000,000 in the name of the Contractor.
9. Professional consultants retained by the Contractor in connection with the Project shall show evidence of professional liability insurance with limits no less than \$1,000,000.

D. Contractor Property Interest

Contractor warrants that it has fee simple or such other estate or interest in the site of the Project, where the Project is undertaken at a site, including easements and/or rights-of-way sufficient to assure undisturbed use and possession for the purposes of construction and operation for the estimated life of the Project. Contractor further acknowledges that where such project is undertaken on or involves the use of lands for active or passive recreational use, it is a material term of this Agreement that such lands shall be available for such recreational use by the People of the State of New York. Additionally, Contractor shall not limit access or discriminate on the operation of the facilities against any person on the basis of place of residence, age, creed, race, color, sex, sexual orientation, national origin, marital status, gender identity or expression, domestic violence victim status, disability,

pregnancy-related condition, military status, favorably resolved arrest record, conviction record, predisposing genetic characteristics, familial status, or citizenship or immigration status.

E. Date/Time Warranty

1. Contractor warrants that product(s) furnished pursuant to this Contract shall, when used in accordance with the product documentation, be able to accurately process date/time data (including, but not limited to, calculating, comparing, and sequencing) transitions, including leap year calculations. Where a Contractor proposes or an acquisition requires that specific products must perform as a package or system, this warranty shall apply to the products as a system.
2. Where Contractor is providing ongoing services, including but not limited to: i) consulting, integration, code or data conversion, ii) maintenance or support services, iii) data entry or processing, or iv) contract administration services (e.g. billing, invoicing, claim processing), Contractor warrants that services shall be provided in an accurate and timely manner without interruption, failure or error due to the inaccuracy of Contractor's business operations in processing date/time data (including, but not limited to, calculating, comparing, and sequencing) various date/time transitions, including leap year calculations. Contractor shall be responsible for damages resulting from any delays, errors or untimely performance resulting there from, including but not limited to the failure or untimely performance of such services.
3. This Date/Time Warranty shall survive beyond termination or expiration of this Contract through: a) ninety (90) days or b) the Contractor's or Product manufacturer/developer's stated date/time warranty term, whichever is longer. Nothing in this warranty statement shall be construed to limit any rights or remedies otherwise available under this Contract for breach of warranty.

F. Fees

The Contractor may charge a reasonable fee for the use of any facility which is part of the project.

1. Except for the imposition of a differential fee schedule for non-residents of the municipality in which the project is located, the establishment of any preferential user fee for any person or entity is prohibited. Fees charged to non-residents shall not exceed twice those charged to residents.
2. Where there is no charge for residents but a fee is charged to non-residents, non-resident fees cannot exceed fees charged for residents at comparable State or local public facilities.

3. Reservation, membership or annual permit systems available to residents must also be available to non-residents and the period of availability must be the same for both residents and non-residents.

G. Alienation

Where the project is undertaken on or involves parklands or public waterfront land, the following additional provisions apply:

1. Contractor warrants that it has fee simple or such other estate or interest in the site of the Project, where the Project is undertaken at a site, including easements and /or rights-of-way sufficient to assure undisturbed use and possession for the purposes of construction and operation for the estimated life of the Project. Contractor further acknowledges that where such project is undertaken on or involves the use of lands for active or passive recreational use, it is a material term of this Agreement that such lands shall be available for such recreational use by the People of the State of New York. Additionally, Contractor shall not limit access or discriminate on the operation of the facilities against any person on the basis of place of residence, age, creed, race, color, sex, sexual orientation, national origin, marital status, gender identity or expression, domestic violence victim status, disability, pregnancy-related condition, military status, favorably resolved arrest record, conviction record, predisposing genetic characteristics, familial status, or citizenship or immigration status.
2. The Contractor agrees to own a property interest sufficient to maintain and operate the project in perpetuity. The Contractor shall not authorize the operation of the project, or any portion thereof, by any other person, entity, or organization pursuant to any management agreement, lease or other arrangement without first obtaining the written approval of the State.

H. Notice of Public Proceedings

The Contractor agrees to provide the Department with prompt and timely written notice at least two weeks in advance of all public proceedings, including, but not limited to public meetings or hearings, relating to the Project.

I. Environmental Review

1. Contractor agrees to provide the Department, in a timely manner, with all documentation, including but not limited to, permit applications, environmental assessments, designs, plans, studies, environmental impact statements, findings, and determinations, relating to the Project.
2. Contractor acknowledges that compliance with the State Environmental Quality Review Act is a material term and condition of this Agreement. In no event shall any payments be made under this Agreement until Contractor has provided the Department

with appropriate documentation that Contractor has met any requirements imposed on Contractor by the State Environmental Quality Review Act.

J. Requirements for Contract GIS Products

1. General GIS Product Requirements -- This document is intended to provide specific requirements and file delivery formats for all GIS materials developed in support of NY Department of State (DOS) projects. These work products include map packages/documents, and associated GIS and imagery files that are created for DOS, including but not limited to products created under grants, interagency agreements and contracts. The following general cartographic requirements must be adhered to by the Contractor:

a. Map Products -- The Department requires delivery of digital map products, including all associated GIS and/or CAD digital files. Finished maps should also be provided in a format suitable for viewing and printing (e.g. PDF). All final map products should be submitted to NYSDOS as an ESRI compatible map package (e.g., mpx, ppx). For any map products which include derived data, a project package (.ppx) is the preferred deliverable but any map package that provides the necessary source data and documentation to replicate the methodology and geoprocessing history used to derive such data is acceptable.

When creating a map package or project package please make sure to use relative paths with the following boxes checked:

- 1) Share outside of organization
- 2) Include toolboxes
- 3) Include history items

b. GIS Data -- All final version spatially enabled files acquired or developed to support mapping and/or spatial analysis through a DOS funded project are considered property of the DOS and are required to be submitted to DOS. This includes but is not limited to all GIS, CAD, and image formatted data. Only final versions of each layer are required for delivery, and must be in an approved format as specified in this document. In addition, all electronic geospatial data, whether vector or raster, must have spatial reference information and be projection defined (have its coordinate system identified and embedded in or associated with the data file), and in the case of CAD data must NOT be in page space or a custom site-specific projection.

c. Deliverable Format -- Contractors responsible for data generation, maintenance, and map/figure production for this task are required to submit all final products as well as all source files and metadata used to derive them on Recordable CD or DVD, external hard drive, via email attachment (size limit of 20MB) or downloadable from an ftp site on the Internet. If the project is complex or contains multiple map packages, a directory structure and readme text file in the upper level directory that describes the structure are required.

File naming conventions should be logical, consistent, and contain no spaces or special characters. An underscore may be used in lieu of a space. A recommended directory structure is as follows:

<Project_Name>

- _ Docs (reports, SOPs, correspondence, and other such documents)
- _ Images (aerial photos, satellite imagery, logos, DEMs, and other raster type data)
- _ Maps (MXDs and PDFs. Map names should use the project name as a prefix)
- _ Shapes (geodatabases, shape files, and other approved vector data formats)
- _ Source (original unmodified data that may have been acquired from external/internal sources)
- _ Tables (MS-Access databases, spreadsheets, delimited text files, or other such tabular data not stored in a geodatabase)
 - i. Final Products: Static Digital maps may be submitted in any standard image format such as JPEG (.jpg), Microsoft Windows bitmap (.bmp), or Tagged Image Format (.tiff), or Adobe Acrobat (.pdf) document. A resolution of 150dpi or more is recommended.
 - ii. Source Files: The underlying map products and associated files shall be provided upon product delivery. Map products shall include a map package wherever possible (e.g. .mpk, .aprx, .ppkx) with the associated data packaged as relative links. If a map document (e.g., MXD) is provided in lieu of a map package than all associated map layers must be provided and referenced as relative paths in the map document. Acceptable vector spatial data formats are file geodatabases (.gdb) and shapefiles (.shp, .shx, .dbf, and .prj at a minimum). Acceptable raster data formats must be compatible with ESRI Arc Info 10.2 or higher and include:
 - 1. TIFF image with world reference file or as a GeoTIFF (.tif, .tfw)
 - 2. JPEG image with world reference file (.jpg, .jpw)
 - 3. ERDAS Imagine image with pyramid file (.img, .rrd)
 - 4. MrSid image (.sid)
 - 5. ESRI Grid
 - 6. DEM
 - 7. TINs - appropriate projection/coordinate system for the area depicted
 - 8. ESRI TIN

Alternatively, the digital products may be provided as ArcInfo/GIS coverages or CAD files on the same media types upon approval of the Department. All other digital formats require prior approval of the Department. Coordination with the Department prior to submission of digital media is required to ensure compatibility of the delivered materials.

d. Documentation

- 1) A data dictionary must be included along with the map files describing file contents, file names along with the name, description, data type and length for each attribute in a data table. Metadata must be provided for each file and shall include:
 1. Title- In plain language;
 2. Summary- One or two sentences of information describing what the data is showing
 3. Thumbnail- image of data on map;
 4. Description- A paragraph giving a more in-depth description as to the background of the data, the provider of the data, when the data was last updated. The who, what, why of the data;
 5. Tags/ Descriptive Words- key descriptive words that help focus a user's search;
 6. Bounds of data- Bounding coordinates (N, E, S, W), usage limitation/ general constraints;
 7. Publication Dates: When was the data first published. If it has never been published, we will give a published date when it is published on the Gateway;
 8. Citation Contact- Who produced the data: Organization name and phone number, email, website of the organization and or individual should be provided;
 9. Lineage- information describing the revision history of the data. Start with date of creation, any following update or review dates; and,
 10. Use limitations: Please provide any use limitation for the data and creation methodology.

It is important to understand that deliverables are not considered complete without metadata. Data provided under federal funds must be provided in a manner which meets Digital Geospatial Federal Geographic Data Committee Metadata Standard as executed by Executive Order 12906, April 11, 1994, "Coordinating Geographic Data Acquisition and Access: the National Spatial Data Infrastructure".

- 2) Datums and Coordinate Systems – All vector data and map products should be submitted in geographic coordinate system, decimal degree units, and either NAD83 or WGS84. Raster data, such as aerial photographs, may be submitted in their native projection, and maps should be in the appropriate projection/coordinate system for the area depicted. Where applicable, the National Geodetic Vertical Datum of 1988 (NGVD88) shall be used as the preferred vertical datum.

e. Map Accuracy -- All deliverable map products must conform to National Map Accuracy Standards for horizontal and vertical accuracy as established by the United States Bureau of the Budget, June 10, 1941, revised June 17, 1947. For example, for

maps at 1:20,000 or smaller, not more than 10% of the well-defined map points tested must be more than 1/50 inch (0.508 mm) out of correct position. At 1:24,000, this tolerance translates to a required horizontal accuracy of 40 feet. If by prior agreement with the Department the map product does not conform to National Map Accuracy Standards, then a statement of actual map accuracy should be included in the Documentation above. Furthermore, hydrographic surveys and maps should conform to recommended accuracy standard proposed in the joint USGS, NOS, Coastal Mapping Handbook, 1978, Melvin Ellis editor, U.S. Government Printing Office, Appendix 6.

2. Additional Digital Cartographic File Requirements - The following cartographic construction requirements must be adhered to by the Contractor:
 - a. Edge-matching -- All map sheets must be both visually and coordinate edge-matched with adjacent map sheets. No edge-match tolerance will be allowed. Attributes for splittable features must also be identical.
 - b. Common Boundaries -- All features that share a common boundary, regardless of map layer, must have exactly the same coordinate position of that feature in all common layers.
 - c. Point Duplication -- No duplication of points that occur within a data string is permitted.
 - d. Connectivity -- Where graphic elements visually meet, they must also digitally meet. All confluences of line and polygon data must be exact; "overshoots", "undershoots", "slivers", or "offshoots" are NOT permitted.
 - e. Line Quality -- A high quality cartographic appearance must be achieved. Transitions from straight lines to curvilinear elements must be smooth, with angular inflections at the point of intersection. The digital representation must not contain extraneous data at a non-visible level. There should be no jags, hooks, or zero length segments. Any lines that are straight, or should be straight, should be digitized using only two points that represent the beginning and ending points of the line.
 - f. Polygon Closure -- For area features being digitized, the last coordinate pair must be exactly (mathematically) equal to the first coordinate pair. No line or polygon must cross itself except to join at an actual confluence. All digitized features across map boundaries must be edited to effect smooth and continuous lines.
 - g. Graphic Precision -- Positional coordinates for all digital graphic elements should not be reported to a level of precision greater than one thousandth (.001) of a foot.
 - h. Digitizer Accuracy -- The required RMS error for digitizer accuracy must be 0.003 or better for digital map registration.

3. **Digital-Ready Map Product Requirements** -- The following requirements for large scale, non-digital map products must be followed to facilitate the future conversion of the maps to digital map products. All large format, non-digital map products must be provided on stable base material at a scale. The map products must include an index map to all map sheets and thorough descriptions of all the cartographic elements portrayed on the maps.
 - a. **Base Map Media** -- All maps must be created on mylar or other stable base material.
 - b. **Map Scale** -- All maps of a similar series should be created using the same base scale. Unless otherwise stated by the Department, all maps should be compiled at 1:24,000. If other map scales are approved by the Department, where possible they will conform to standard map scales such as 1:9600; 1:50,000; 1:75,000; or 1:100,000.
 - c. **Map Registration** -- The maps must provide a minimum of four (4) corner and four (4) interior ticks tied to USGS/NYS DOT quadrangle Lat/Long or NYTM coordinates. The maps must be geometrically correct and should register when overlaid on the appropriate USGS/NYS DOT quadrangle control ticks.
 - d. **Map Title and Legend** -- The maps must provide a title and legend block describing the information contained on the maps, and including the Documentation and Datums information requested in the General GIS Product Requirements above and the map scale.
 - e. **Cartographic Quality** -- The quality of all map line work and symbolization must conform to items 1 - 6 in the map criteria set forth in the Additional Digital Cartographic File Requirements section outlined above.
4. **Contract Database Standards**
 - a. **Delivery Media** -- All database and tabular files must be provided on digital media as specified above in Deliverable Format.
 - b. **Software Format** -- Database and tabular files can be provided in Oracle, Microsoft Excel or Microsoft Access format. Other formats that are convertible to one of the aforementioned formats may be used with prior approval of the Department.
 - c. **Geographic Attributes** -- Database and tabular files that contain elements with a geographic reference must provide a corresponding data field and a geographic coordinate pair for each feature location.

ATTACHMENT B-1 - EXPENDITURE BASED BUDGET

Budget Summary:	Total Budget
A. Salaries	\$ 0.00
B. Travel	\$ 0.00
C. Supplies	\$ 0.00
D. Equipment	\$ 0.00
E. Contractual Services	\$ 641,000.00

ATTACHMENT C - WORK PLAN

Improve Gateways and Develop Branding and Signage for the Village of Wellsville

1. Project Description

The Village of Wellsville will advance the Wellsville NY Forward through the following projects:

Project Component 1: Improve Gateways to the Village of Wellsville

Enhance the pedestrian experience on State Street with safer and more appealing crossings, expanded sidewalks and the addition of decorative fencing and flag mounts on the Madison Street memorial bridge.

Project Component 2: Develop New Branding and Signage for the Village of Wellsville

Develop a branding and wayfinding plan and new village website.

2. Required Products

The Contractor must submit to the Department all required products, clearly labeled with the NYS Comptroller's contract number as indicated on the Face Page of this Contract and where applicable, the related task number from this Work Plan.

Unless otherwise specified in the Work Plan tasks, the Contractor shall submit products in the following formats:

- Draft products: one electronic copy of each product must be submitted in Adobe® Acrobat® Portable Document Format (PDF), created using 300 dpi scanning resolution and Microsoft Word, if applicable.
- Final products: one electronic copy of each product must be submitted in PDF, created using 300 dpi scanning resolution and Microsoft Word, if applicable. In addition, one paper copy of each final product (including reports, designs, maps, drawings, and plans) must be submitted.
- Electronic data for all Geographic Information System-based mapping products must be submitted in either ArcGIS format, or similar product acceptable to the Department, and comply with the requirements for Contract GIS Products. Formal metadata must be provided with all digital GIS data which includes, at minimum, a file summary/abstract, intended use, data, source data, and author information.
- Electronic data for all designs, drawings, and plans must be submitted in the original software that they were created (such as CAD format or other similar product acceptable to the Department), as well as in JPG format.
- Photographs and images must be submitted in JPG format with a minimum resolution of 300 dpi and must be dated and captioned with the location and a brief description of the activity being documented and include any associated metadata (including the photo's GPS location where available).

3. Compliance with Procurement Requirements

The municipal attorney, chief legal officer or financial administrator of the municipality shall certify in writing to the Department that applicable provisions of General Municipal Law were fully complied with.

4. Project Tasks

Project Component 1: Improve Gateways to the Village of Wellsville

Task 1.1 Consultant Selection and Compliance with Procurement Requirements

In consultation with the Department, the Contractor shall retain professional services through the locally approved procurement process per General Municipal Law. The municipal attorney, chief legal officer or financial administrator of the municipality shall certify in writing to the Department that applicable provisions of General Municipal Law were fully complied with.

For preparation/certification of final designs and construction documents, and for supervision of construction, a licensed professional engineer, architect or landscape architect licensed to practice in New York State is required.

The Contractor shall prepare the draft subcontract(s) to conduct project work with the selected consultant(s). The subcontract(s) shall contain a detailed work plan with adequate opportunity for review at appropriate stages of product completion, a payment schedule with payments tied to receipt of products, and project costs.

The Contractor shall submit the draft subcontract(s) to the Department for review of the subcontract work plan for alignment with the appropriate tasks of the work plan as set forth in this contract. The Contractor shall incorporate the Department's comments on the subcontract work plan, or scope of services, prior to execution of the final subcontract(s). The Contractor remains responsible for the legal sufficiency of the subcontract in accordance with the requirements in the Master Grant Contract and Attachment A-1.

Products: Consultant(s) selected and approved by the Department. Written certification of compliance with procurement procedures. Draft and final, executed consultant subcontracts.

Task 1.2 Draft Design

The Contractor shall prepare, or cause to be prepared, a draft design based upon the conceptual designs from the Downtown Revitalization Strategic Investment Plan. The draft design shall include all required maps, tables, data, written discussions, and other information as identified in the contract and subcontract work plans. The draft design shall be provided to the Department for review. Department comments must be addressed to the satisfaction of the Department in subsequent revisions of the final design.

Products: Draft design and supporting materials.

Task 1.3 Environmental Quality Review

The Contractor shall prepare, or cause to be prepared, all documents necessary to comply with the State Environmental Quality Review Act (SEQRA) through determination of significance. If a positive declaration is made, a Draft Environmental Impact Statement shall be prepared.

Products: SEQRA documents and, if necessary, a Draft Environmental Impact Statement.

Task 1.4 Final Design and Construction Documents

The Contractor shall prepare, or cause to be prepared, the final design and construction drawings, plans, specifications, and cost estimates. The final design and construction documents shall be provided to the Department for review. Final design and construction documents are subject to approval by the Department. These documents must be certified by a licensed professional engineer, architect, or landscape architect and the appropriate seal must be affixed to these documents.

Products: Final design and construction documents, certified by a licensed professional engineer, architect or landscape architect.

Task 1.5 Permits

The Contractor shall prepare, or cause to be prepared, the necessary permits or other approval applications and obtain the required permits or approvals. Prior to construction the Contractor or its consultant(s) shall also demonstrate that the project is in compliance with 6 NYCRR Part 502, "Floodplain Management Criteria for State Projects" by obtaining a floodplain development permit, if local regulations establish such requirements, or by submitting a signed certification, by an official authorized to enforce local floodplain management regulations, that the project complies with the requirements of the statute.

Products: Copies of all required permits and approvals shall be submitted to the Department upon receipt.

Task 1.6 Bid Process and Selection of Construction Subcontractor

After the final design and construction documents have been approved by the Department, the Contractor shall prepare and distribute, or cause to be prepared and distributed, a bid invitation to select a construction subcontractor or subcontractors. Prior to distributing the bid invitation, the Contractor or its consultant(s) shall submit the bid invitation to the Department for review and comment.

The Contractor shall select the construction subcontractor(s) from the bid respondents and shall prepare a draft contract or contract(s) to conduct the work with the selected construction subcontractor(s). The contract(s) shall contain a detailed work plan with adequate opportunity for review at appropriate stages of project completion, a payment schedule with payments tied to receipt of products/project milestones, and project costs. The Contractor must certify to the Department that applicable public bidding procedures of General Municipal Law were followed for the selection of all construction or other subcontractors.

The Contractor shall submit the draft subcontract(s) to the Department for review and approval and shall incorporate the Department's comments in the final subcontract(s). A copy of the final, executed subcontract(s) shall be submitted to the Department.

Products: Executed construction subcontract(s). Written certification of procurement procedures.

Task 1.7 Project Signage

The Contractor shall install, or cause to be installed, a sign satisfactory to the Department identifying the State's funding of the project. The project sign shall remain in place for at least 60 days after completion of construction or initial occupancy, whichever duration is longer.

Products: Department-approved sign design, and photo-documentation that sign is installed in project area.

Task 1.8 Construction, Construction Management and Site Inspection

After receipt of all necessary permits, the Contractor or its construction subcontractor(s) may begin construction work according to the final design and construction documents – including any site remediation as necessary to remove contaminated soil. The Contractor shall provide, or cause to be provided, notification to the Department monthly (or more frequently) in writing of work progress, including any delays which have occurred. After 70% of the work is completed, the progress notification will include a punch list of any incomplete items and an estimated schedule for project completion.

The Contractor and/or the Department shall verify progress and completion of the work through periodic site inspections. The Contractor or its consultant(s) shall submit to the Department written summaries of progress including photo documentation and identification of problems to be addressed based on periodic site inspections.

Products: Written summary of periodic site visits including photo-documentation and identification of any problems that need to be addressed. Punch list and construction completion estimates.

Task 1.9 Completion of Project

Following satisfaction of punch list items, the Contractor shall submit, or cause to be submitted, a statement that the work has been completed in accordance with the contract and subcontract(s), the final design and construction specifications, and all permit requirements. The completion statement must be prepared and/or certified by a licensed professional engineer, architect or landscape architect. Unless otherwise specified during project kick-off meeting, the Contractor shall submit, or cause to be submitted, two sets of as-built plans, certified by a licensed professional engineer, architect or landscape architect. When the Contractor is satisfied work is complete, it shall submit a final project report to the Department, including a copy of the completion statement and a copy of the certified as-built plans and photo-documentation in the form of digital images of the site prior to, during and upon completion of work. The Contractor shall not submit a final payment request to the Department, until the Department concurs that the work is complete.

Products: Statement of completion, certified as-built plans, and final project report including photo-documentation.

Project Component 2: Develop New Branding and Signage for the Village of Wellsville

Task 2.1 Consultant Selection and Compliance with Procurement Requirements

In consultation with the Department, the Contractor shall retain professional services through the locally approved procurement process per General Municipal Law. The municipal attorney, chief legal officer or financial administrator of the municipality shall certify in writing to the Department that applicable provisions of General Municipal Law were fully complied with.

For preparation/certification of final designs and construction documents, and for supervision of construction, a licensed professional engineer, architect or landscape architect licensed to practice in New York State is required.

The Contractor shall prepare the draft subcontract(s) to conduct project work with the selected consultant(s). The subcontract(s) shall contain a detailed work plan with adequate opportunity for review at appropriate stages of product completion, a payment schedule with payments tied to receipt of products, and project costs.

The Contractor shall submit the draft subcontract(s) to the Department for review of the subcontract work plan for alignment with the appropriate tasks of the work plan as set forth in this contract. The Contractor shall incorporate the Department's comments on the subcontract work plan, or scope of services, prior to execution of the final subcontract(s). The Contractor remains responsible for the legal sufficiency of the subcontract in accordance with the requirements in the Master Grant Contract and Attachment A-1.

Products: Consultant(s) selected and approved by the Department. Written certification of compliance with procurement procedures. Draft and final, executed consultant subcontracts.

Task 2.2 Draft Design for Marketing and Branding Materials

The Contractor shall prepare, or cause to be prepared, draft branding designs, a draft plan for locating signage, draft designs of a series of wayfinding elements such as directional signs, gateway signs, interpretive signs, and information kiosks, and screen shots of a proposed Downtown website/app consistent with the Strategic Investment Plan. The draft design shall be provided to the Department and the public for review for review. Comments from the Department and the public must be addressed to the satisfaction of the Department in subsequent revisions of the products and the final design.

Products: Draft designs and supporting materials.

Task 2.3 Final Design for Marketing and Branding Materials

Based upon the approved draft designs, the Contractor shall prepare, or cause to be prepared, the final designs for branding, a plan for locating signage, final designs of a series of wayfinding elements such as directional signs, gateway signs, interpretive signs, and information kiosks, and a Downtown website/app. The final designs shall be provided to the Department for review at least two weeks prior to the due date for comments. Department comments must be addressed to the satisfaction of the Department.

Products: Final designs and supporting materials.

Task 2.4 Obtain Permits or Agreements for the Installation of Signage

The Contractor or its consultant(s) shall prepare the necessary applications or municipal agreements and obtain the required permits or approvals from the appropriate federal, state, and local agencies for the installation of signage, as necessary.

Product: Required permits and approvals for the installation of signage.

Task 2.5 Fabrication and Installation of Marketing and Branding Materials and Signage

Based upon the approved designs, the Contractor or its consultant(s) will fabricate and install wayfinding signage such as directional signs, gateway signs, interpretive signs, and information kiosks, and launch a Downtown website/app. The Contractor or its consultant(s) shall provide photo-documentation of the installed signage within the downtown revitalization area.

Products: Photo-documentation of installed wayfinding signage and information kiosks. Verification of live website link for Downtown website/app.

Project Reporting and Close-out

Task 3.1 MWBE Reporting

Comply with MWBE Reporting Requirements by completing the following actions:

- Submit Form D - MWBE Utilization Plan to indicate any state-certified MWBE firms selected to work on this contract. Form D must be updated and submitted to the Department whenever changes to the selected MWBE firms occur (addition or removal).
- Record payments to MWBE subcontractors using DOS funds through the New York State Contract System (NYSCS).

Technical assistance for use of the NYSCS system can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

Products: Ongoing reporting through NYSCS during the life of the contract.

Task 3.2 Project Status Reports

The Contractor shall submit project status reports semi-annually (every June 30 and December 31) on the form provided, including a description of the work accomplished, the status of all tasks in this work plan, schedule of completion of remaining tasks, and an explanation of any problems encountered.

Products: Completed project status reports submitted to DOS during the life of the contract.

Task 3.3 Final Project Summary Report

The Contractor or its consultant(s) shall work with the Department project manager to complete the Final Project Summary Report. Final payment shall not be authorized until this report has been completed and filed with project deliverables.

Products: Completed Final Project Summary Report submitted to DOS.

5. Project Responsibilities

The Contractor shall administer the grant, execute a contract with the Department, and ensure the completion of work in accordance with the approved Work Plan and budget.

The Contractor:

- will be responsible for conducting all project work in conformance with the Work Plan included in the executed contract with the Department.
- will be responsible for all project activities including drafting request for proposals and managing subcontracts with consultants and subconsultants.
- will certify to the Department that the procurement record for project consultants and subcontractors complies with the applicable provisions of General Municipal Law.
- will receive approval from the Department for any and all consultant subcontracts before beginning project work.
- will be responsible for submission of all products and payment requests.
- will be responsible for coordinating participation and soliciting comments from local government personnel, project volunteers, and the public.
- will keep the Department informed of all important meetings for the duration of this contract.
- will receive approval from the Department before purchase of any equipment.
- will secure all necessary permits and perform all required environmental reviews.
- will ensure that all materials printed, constructed, and/or produced acknowledge the contributions of the Department to the project.
- will ensure that all products prepared as a part of this contract shall include the NYS Comptroller's contract number as indicated on the Face Page of this contract.
- will ensure the project objectives are being achieved.
- will ensure that comments received from the Department, or other advisory group, are satisfactorily responded to and reflected in subsequent work.
- will recognize that payments made to consultants or subcontractors covering work carried out or products produced prior to receiving approval from the Department will not be reimbursed unless and until the Department finds the work or products to be acceptable.
- will participate, if requested by the Department, in a training session or sessions focused on developing and implementing revitalization strategies. The purpose of the training session(s) is to build knowledge and provide support to community leaders to advance revitalization efforts and complete priority projects.

The Department:

- will review and approve or disapprove of subcontracts between the Contractor and consultant(s) and any other subcontractor(s).
- will participate in initial project kick-off meeting and subsequent meetings that are important to the project.
- will review all draft and final products and provide comments as necessary to meet the objectives.
- must approve or disapprove any and all design, site plan, and preconstruction documents before construction may begin.

ATTACHMENT D

PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received

by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.

10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.
12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.
