OLD Business: 1. City agreed to 62,100.00 for EMS in 2027 then 2% increase every year after? 2. Go over Budget numbers if available? 3. Kennel bids opened, came in at 1.2 million plus, working with engineer to see if we can cut back on stuff that isn't needed at this time to make more reasonable amount and if contractor will still want to do. Also waiting to hear from Kelly Andreano about funding from County. 4. Any ideas for Supervisor replacement come Dec 31st? Should we put in paper?

NEW Business: 1. Town attorney working on Special District for EMS contract. 2. Should we Amend Zoning Code to prohibit Data Centers & Cryptocurrency Data Mines? I sent email that Town of Allegany did. And also make a Property Maintenance and Sanitation Law that Allegany also did, that was also sent to Board members in an email? (Hold public hearings in Oct?) 3. Also going forward, If unable to attend a Board meeting to please notify by 1st of the Month of meeting so we can arrange if meeting needs rescheduled? I understand stuff comes up, but a heads up is necessary for rescheduling if 3 members wont be in attendance. 4. I will not be at October's meeting. (Annette).
