## Town Board Resolution Accepting A.J. Gallagher Proposal for 2026/2027 Insurance Coverage

**WHEREAS**, the Town of Arkwright maintains a comprehensive municipal insurance program to protect town assets, manage liabilities, and ensure the continuous operation of town services; and

**WHEREAS**, the town's current municipal insurance policy is up for renewal in August of 2026; and

**WHEREAS**, the Town Board has reviewed the renewal proposal submitted by Gallagher detailing the cost, understanding that physical asset coverage limits and deductibles remain unchanged from the current contract; and

**WHEREAS**, the Town's Cyber Coverage has been transferred to a different underwriter at a one million dollar limit, up from five hundred thousand; and

**WHEREAS**, the total annual premium represents approximately a 3-1/2% year over year increase to the amount of \$27,889.46 and the Town has sufficient funds for this expenditure,

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board of the Town of Arkwright hereby accepts the insurance renewal proposal and authorizes the payment of the annual premium to A.J. Gallagher; and

**BE IT FURTHER RESOLVED**, that the Town Supervisor is authorized to execute all necessary renewal applications, agreements, or related documents required to finalize and maintain this coverage.

Attention Town Clerk Town of Arkwright

Please accept this as my request that the Arkwright Town Board proceed with the necessary steps to designate the section of Ball Road beginning at the site of former bridge and extending 1300 feet to the West as a Minimum Maintenance Road. In making this request, I confirm the following:

1. Traffic on that portion of the road is negligible, perhaps as little as one vehicle per week even in the summer months. This section of road dead ends at the creek and is East of the section of land owned by the County.
2. There are no year round residences on that section of road.
3. There is no farming activity on that section of road.
4. Property owners would have the same access to their land as they currently do, with the Town maintaining a drivable single land gravel roadway during late spring, summer and early fall. People traveling at reasonable speeds in vehicles appropriate for driving on a single lane gravel road, with normal expectations for rocks and small washouts, will be able to access their property.
5. This section of Ball Road has not been plowed during the winter for over 50 years. Since the bridge washed out in 2009, plowing has become virtually impossible and we have received no requests to do anything different than the seasonal designation we have had for decades. A minimum maintenance designation will provide property owners with the same level of access they currently have, acknowledging that the Town does not intend to abandon the road at this time.
6. The section of Ball Road West of this Minimum Maintenance Section to Miller Road will remain as a Seasonal Road.
7. This request specifically does not address the section of Ball Road East of the creek. That will be dealt with separately.

Thank you for your attention to this matter.

Lisa Waldron, Highway Superintendent

## Town Board Resolution in Support of Designating a Section of Ball Road as Minimum Maintenance

**WHEREAS**, the Superintendent of Highways has determined that the section of Ball Road, in the area known as Balls Gulf, approximately 1300 feet immediately to the West of the creek/site of the former bridge meets the criteria to be designated as a minimum maintenance road, and

**WHEREAS**, the Superintendent of Highways has determined that the volume of traffic falls far below the 50 vehicle per day limit specified by New York State traffic law, and

**WHEREAS**, Balls Gulf has not been winter plowed for over 50 years, and

**WHEREAS**, the bridge over the creek washing out in 2009, with no plans from Chautauqua County for replacement, makes through plowing impossible, and

**WHEREAS**, there are no permanent residences or any farming activity on that section of road, and

**WHEREAS**, the request to change the designation of that section of roadway to **Minimum Maintenance** was officially made to the Town Clerk, and

**WHEREAS**, the Town Board of the Town of Arkwright has reviewed the request and made the following determinations:

- a. Vehicle traffic on that section of road falls far below the legal limit, thereby allowing this process to proceed.
- b. There is currently no permanent residence on that section of road.
- c. There is no farming activity on that section of road.
- d. Land owners will continue to have reasonable access to their timberland and recreational properties, no different than they have had for decades.
- e. Traffic on that road will continue to have reasonable passage at safe speeds in vehicles suitable for gravel road travel in heavily wooded areas.
- f. There are no plans and will be no plans to abandon this section of road for at least six years from the date the road is determined to no longer be a minimum maintenance road. In other words, this designation ensures non-winter months maintenance, in accordance with the conditions previously outlined.

**Now Therefore Be It RESOLVED** that the Town Board of the Town of Arkwright directs the Town Supervisor to proceed with the steps to codify this change, provided there is no material difference to land access than defined herein, and

**Be It Further RESOLVED** that the Town Board of the Town of Arkwright authorizes a **Public Hearing** on proposed local law 4 of 2026 on October 12, 2026, at 6:45 PM, and

**BE IT Further RESOLVED** that the Town Board instructs the Town Supervisor to publish notification of the Public Hearing in the *Observer*, and

**Be It Further RESOLVED** that the Town Board of the Town of Arkwright directs the Town Clerk to send **certified letters** to the following list of stakeholders, either with land abutting the affected section of Ball Road, land in the vicinity or who otherwise may hold an interest in this activity:

Leonard Szydlo

Jamie Reynolds, Chautauqua County Parks

Daniel Elliott

Joseph Strefeler

James Cash

Roger Newell

Robert Rice

Jean Gustafson

John O'Connor, Superintendent Forestville Central School

Mark Woolley, Chairman of Board of Commissioners Forestville Fire District

Brian Bullard, Timberland Realty

**Be It Further RESOLVED** that the Town Board of the Town of Arkwright hereby directs the Town Clerk to make the initial request from the Highway Superintendent as well as a copy of this Resolution and a draft of Local Law 4, available for public review.

Local Law No. 4 of the year 2026

**A LOCAL LAW AMENDING THE HIGHWAY LAW OF THE TOWN OF ARKWRIGHT  
TO PROVIDE FOR THE CLASSIFICATION AND DESIGNATION OF A SECTION OF  
BALL ROAD AS A MINIMUM MAINTENANCE ROAD.**

Be it enacted by the Town Board of the Town of Arkwright

~~County~~

~~City~~ of ARKWRIGHT

Town

~~Village~~

## **SECTION 1. AUTHORITY**

This Local Law is adopted pursuant to the provisions of the Municipal Home Rule Law of the State of New York.

## **SECTION 2. PURPOSE AND INTENT**

The Town Board of the Town of Arkwright finds that a portion of Ball Road, as defined in Section 5 below, is a low-volume road primarily providing access to woodlands or recreational land. The cost of maintaining this portion of Ball road to standard commercial or residential highway requirements would impose an undue burden on taxpayers relative to its usage. The purpose of this law is to permit the Town Board, upon recommendation of the Town Superintendent of Highways, to designate the qualifying Ball Road segment as a "Minimum Maintenance Road" to specifically exclude winter snow removal, while maintaining basic safety and access.

## **SECTION 3. DEFINITIONS**

Low-Volume Road: is a local town highway or portion thereof with an average daily traffic count of fewer than 400 motor vehicles per day.

Minimum Maintenance Road: is a low-volume road or segment thereof, having an average daily traffic volume of less than fifty (50) vehicles per day and which principally provides agricultural or recreational land access. This term explicitly excludes any road providing principal vehicle access to an individual year-round residence or an active farm center of operations at the time of designation.

## **SECTION 4. PROCEDURES FOR DESIGNATION**

The Town Board of the Town of Arkwright attests that, prior to enacting this law, the following statutory requirements have been met:

1. The Highway Superintendent of the Town of Arkwright Highways has determined that this section of Ball Road meets the qualifications to be a Minimum Maintenance Road, in regard to traffic volume and type as well as activities for which the road is used.
2. The Arkwright Town Board has reviewed the Highway Superintendent recommendation and concurs, having cited its own findings in a Board Resolution.
3. Property owners with land abutting this section of Ball Road have been lawfully notified of these findings and of a Public Hearing.
4. The School District encompassing that area has been lawfully notified of these findings and of a Public Hearing.
5. The Fire District encompassing that area has been lawfully notified of these findings and of a Public Hearing.

## **SECTION 5. DESIGNATION OF MINIMUM MAINTENANCE ROAD SECTION**

Pursuant to the procedures outlined in Section 4, the following section of highway is hereby designated as a Minimum Maintenance Road:

- 1300 Feet of Ball Road, directly west of the creek/site of former bridge, in the direction of Miller Road.
- Additional Detail: 1300 feet ends slightly to the East of the current entry point to County property, parcel 148.00-2-50.

#### **SECTION 6. MAINTENANCE STANDARDS**

The designated segment of Ball Road shall be maintained at a level deemed appropriate by the Town Board and the Highway Superintendent to accommodate vehicles suitable for gravel road access in a woodland gully safely during applicable seasons. It is understood that gravel roads, particularly wooded gullies, are subject to slides and washouts. The Town will endeavor to keep this section of Ball Road passable on a three-season basis. The Town explicitly states that there will be *No Winter Maintenance*, such as snow plowing or applying of ice control substances. This designation does not restrict any access to farmland, nor does it prevent New York State or Chautauqua County from accessing their property in the Town of Arkwright.

#### **SECTION 7. SIGNAGE**

The Minimum Maintenance Designation will not be legally effective until the Highway Department posts official signs at each end of the designated segment advising the traveling public that the portion of the road is a minimum maintenance area.

#### **SECTION 8. SEVERABILITY**

If any clause, sentence, or section of this Local Law shall be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect or invalidate the remainder thereof.

#### **SECTION 9. EFFECTIVE DATE**

This Local Law shall take effect immediately upon filing with the New York State Department of State.

I hereby certify that the Local Law annexed hereto, designated as local law No. 4 of 2026 of the Town of Arkwright was duly passed by the Town Board of the Town of Arkwright on \_\_\_\_\_ 2026 in accordance with the applicable provisions of law.

## Town Board Resolution to Set Date and Time for Public Hearing on Local Law 3 of 2026

### Implementing a Veterans Tax Exemption

**WHEREAS**, the Town of Arkwright is empowered under New York State Property Law to grant a real property tax exemption to qualifying veterans; and

**WHEREAS**, the Town Board of the Town of Arkwright wishes to adopt a Local Law granting the exemptions as allowed by New York State,

**NOW THEREFORE BE IT RESOLVED** that the Town Board of the Town of Arkwright authorizes a public hearing on Local Law 3 of 2026, adopting a Veterans Tax Exemption to be held on September 14, 2026 at 6:45 PM at the Town of Arkwright Town Hall, and

**BE IT FURTHER RESOLVED** that the Town Board instructs the Town Supervisor to publish notification of the Public Hearing in the *Observer*, and

**BE IT FURTHER RESOLVED** that the Town Board instructs the Town Clerk to make copies of the law available for public review at the Town Hall.
