Highway Department Shared Services Agreement with Town of Dunkirk- Supervisor McAvoy reviewed the agreement and presented a series of reasonable expectations for balancing the cost versus the revenue. The major benefit to Arkwright will be the availability of their one employee during the Summer. The major risk will be the manhours Arkwright invests helping Dunkirk. This needs to balance but, of course, there is a buffer of revenue above and beyond what Superintendent Waldron is receiving.

Laurie Mead- Will we be getting monthly results?

Brian McAvoy- Yes. We need it.

Read the resolution for the Shared Services and Voted. See attached Appendix.

Septic System- Larry Ball wanted to give Brian McAvoy the Okay to go out for bid once we have the plans. Motion to Approve Brian McAvoy to Request Bids on New Septic Once We Have the Plans. - Motion by Larry Ball & Chris Jackson 2nd. All in favor.

Motion to Adjourn Regular Meeting- Motion by Chris Jackson & Bruce Gustafson 2nd. All in favor.
