

IMPORTANT PUBLIC SAFETY UPDATE

Official Notice to Town of Allegany Residents regarding Police Coverage and Emergency Services

Effectively immediately, due to the termination of its police services contract by the Town of Allegany Council Members, the **Village of Allegany Police Department will no longer provide emergency services or routine coverage to the Town of Allegany outside of village limits.** This service disruption directly impacts all residents living outside Village limits, including St. Bonaventure University campus. The safety and security of our residents remain our highest priority. Law enforcement coverage and emergency response within the Town of Allegany will now be fully handled by the Cattaraugus County Sheriff's Office and the New York State Police.

What you need to know:

- For all emergencies requiring immediate police, fire, or medical assistance, continue to dial **911**. The emergency dispatch system will automatically route your call to the appropriate responding agency.
- For non-emergency law enforcement inquiries or to report a non-urgent matter within the Town, please contact the Cattaraugus County Sheriff's Office directly at 716-938-9191 or the New York State Police Olean barracks at 716-373-2550.
