

REGULAR MEETING OF THE COMMON COUNCIL
OCTOBER 8, 2025
7:00 PM

PRESENT: Mayor Sandra Magiera
Council Members: John Hill, Kylee Johnson, Barry Smith
Michael Reed, Paul Myers
City Clerk: Tracy Chamberlain
City Administrator: Jay Bartoszek
Human Resources Manager: Tina Rider
Youth Bureau Director: Markie Phillips

Mayor Magiera called the meeting to order at 7:00 PM. After the Pledge of Allegiance, Mayor Magiera asked for a moment of silence.

Moved by Reed and seconded by Myers:

RESOLVED: That we hereby approve and dispense with the reading of the minutes of the last regular meeting of September 24, 2025.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Reed and seconded by Myers:

RESOLVED: That we hereby accept the attached Request for Qualifications from HUNT Engineers, Architects and Land Surveyors, Horseheads, NY for engineering services for the Wastewater Treatment Plant Improvements Study Project.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Reed seconded by Johnson:

RESOLVED: That we hereby accept the attached quote of Fire Security Communications (FSC) Systems, LLC, Jamestown, NY, for the installation of a security system at the Youth Center at 36 South Avenue, in the amount of \$7,140.38.

Youth Bureau Director Markie Phillips noted that the old system is not repairable. This system will bring the Youth Center up to code.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Hill and seconded by Smith:

WHEREAS, the official highway and street records of the City of Salamanca, New York, recognize a certain street within said City as being a public street and highway, to wit: Hoy Street, and

REGULAR MEETING OF THE COMMON COUNCIL
OCTOBER 8, 2025
PAGE TWO

WHEREAS, said streets has fallen into disuse as a public way and street, and

WHEREAS, the legal description of said street is attached hereto as “EXHIBIT A”, and

WHEREAS, the City is desirous of discontinuing said street pursuant to the authority provided by Title XII, Section 81.

NOW, THEREFORE BE IT RESOLVED: That the Common Council of the City of Salamanca, New York, acting as a duly convened Board of Public Works, does hereby resolve Hoy Street in the City of Salamanca, New York, as the same is described in attached “EXHIBIT A”, is hereby discontinued.

EXHIBIT A
HOY STREET

Commencing at a point in the center of Corydon Street (now Front Avenue) 248 feet easterly from the north west corner of the lands included in the Salamanca Driving Park as measured along said street. Thence S 16° 45' W 1635 ½ feet to the center of Broad Street. The above described line to be the center of said street which is to be 40 feet in width at the place or beginning and to diminish in width so as to be 33 feet wide at a point 1096 ½ feet from the place of beginning and to be 33 feet wide from said last named point to the termination of said line and which passes through lands of J. S. Whipple, J. H. McGuire, Geo. Johns, A. E. Darrow, Hudson Ansley, C. Nies and O. S. Vreeland and the same is directed to be recorded and opened accordingly.

Dated: June 26th 1882. W. C. Palmer, Trustee
 F. B. Mills, Trustee
 Wm. H. Stebbins, Trustee

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Hill and seconded by Myers:

RESOLVED: That we hereby approve the removal of Thomas Haynoski as Department of Public Works Parks Maintainer who resigned, effective September 29, 2025 and appoint David Winship as Department of Public Works Parks Maintainer, effective September 29, 2025, according to the current DPW Union Contract.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

REGULAR MEETING OF THE COMMON COUNCIL
OCTOBER 8, 2025
PAGE THREE

Moved by Hill and seconded by Johnson:

RESOLVED: That we hereby approve the removal of Ronald Hoover as Part Time Department of Public Works Laborer effective September 26, 2025.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Smith and seconded by Johnson:

RESOLVED: That we hereby approve the following appointment:

CODE ENFORCEMENT OFFICER

Appointment of Brandon Smith for an indefinite term beginning on October 9, 2025.

Appointment of William Smith for an indefinite term beginning on October 9, 2025.

BUILDING INSPECTORS

Appointment of Joseph Gray, Patrick Steffan, Christopher Campbell, Kyle Gross, Patrick Fien, Jonathan Hoak, Charles McCannon, Nicholas Rhinehart, Haidon Moran, for indefinite terms beginning on October 9, 2025.

JOINT LEASING COMMISSION

Reappointment of Larry Butler, Salamanca, NY, to a six year term beginning on September 6, 2025 and ending September 5, 2031.

ZONING OFFICER

Appointment of Cynthia Smith, Salamanca, NY, to a six year term beginning on October 9, 2025 and ending September 30, 2031.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Hill and seconded by Johnson:

RESOLVED: That we hereby waive the agenda rule to consider other items.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

REGULAR MEETING OF THE COMMON COUNCIL
OCTOBER 8, 2025
PAGE FOUR

Moved by Hill and seconded by Reed:

RESOLVED: That we hereby approve the removal of Jorge Jimenez as Part Time Department of Public Works Laborer effective October 7, 2025.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Johnson and seconded by Smith:

RESOLVED: That we hereby create the position of Dog Caretaker -Floater for a maximum of 20 hours per week, at minimum wage, to assist with the handling of dogs, in the custody of the City, to fill time slots when regular Caretakers are unavailable.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Smith and seconded by Myers:

RESOLVED: That we hereby approve the Purchase Contract for the 12 Great Valley Street TM#73.065-5-7 and a lot on Great Valley Street TM#73.065-5-6 from Edward S. Bowles in the amount of \$35,000.00 from Economic Development funds.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Johnson and seconded by Myers:

RESOLVED: That we hereby appoint Joseph Gray, as Fire Department Captain from the Civil Service list, according to the current Salamanca Professional Firefighters Union Contract, effective October 11, 2025.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Moved by Hill and seconded by Reed:

RESOLVED: That we approve the removal of Jessica Thessen as Part Time Department of Public Works Account Clerk Typist effective October 11, 2025.

Adopted Ayes: Hill, Johnson, Smith, Reed, Myers
Nays: None

Communication from the Mayor and Council:

- Council Member Smith thought the Falling Leaves Festival was a great success with good weather. He felt that Mayor Magiera and her team did a good job.

REGULAR MEETING OF THE COMMON COUNCIL
OCTOBER 8, 2025
PAGE FIVE

- Mayor Magiera stated there have not been any negative comments on this year's Falling Leaves Festival. She noted they bring different activities each year and there were positive comments on the activities held this year. She thanks all the departments that helped with various parts and appreciates all the assistance.
- Mayor Magiera also noted the new Lego store "Bricks & Bits" at 8 Main Street had a grand opening.
- Next events will be the Halloween Parade from the Dudley at 5:00 PM and Trunk or Treat during Trick or Treat from 6:00 – 8:00 PM.

Moved by Reed and seconded by Hill:

RESOLVED: That the bills be paid as warranted and recommended by the appropriate Commissions and/or Department Heads, the City Comptroller and City Clerk and that the reports of the Fire Chief for the months of July, August and September 2025, the City Comptroller for the month of August 2025 and the City Clerk and City Judge for the month of September 2025 are hereby accepted and filed.

SALAMANCA CITY CLERK

RE: City of Salamanca Wastewater Treatment Plant Improvements Study Project

Dear Ms. Chamberlain,

As Principal-in-Charge at HUNT Engineers, Architects, Land Surveyors, & Landscape Architects, DPC (HUNT), I am pleased to submit our qualifications to provide comprehensive engineering services for the City of Salamanca's Wastewater Treatment Plant Improvements Study Project. We understand the City's critical need to evaluate the Wastewater Treatment Plant (WWTP) for necessary improvements to ensure compliance with the National Pollutant Discharge Elimination System (NPDES). The proposed project will result in the development of a Preliminary Engineering Report prepared in accordance with the most recent NYS EFC/DEC Engineering Report Outline for New York State Wastewater Infrastructure Projects and federal guidance documents.

HUNT has assembled a highly qualified team to lead this project. I will oversee all aspects of project execution to ensure quality and efficiency. Senior Engineer Nicholas Bayer, PE, will serve as Project Manager and brings extensive experience in municipal wastewater system improvements and regulatory compliance. Bryan White, PE, focuses on project engineering and management for flood damage repair and mitigation, water and wastewater system design, and site development projects for both municipal and private clients. Additionally, Tammy Kunzman will serve as Funding Assistant, providing expertise in securing and managing project funding.

The HUNT team has experience in wastewater/water systems studies, including many completed projects in Salamanca. We understand the complexities of wastewater infrastructure projects and the importance of regulatory compliance, funding coordination, and community impact and have the capacity to move efficiently into the Wastewater Treatment Plant Improvements Study Project. Our team is committed to securing additional funds to minimize the out-of-pocket expense for the City and ensure the successful completion of the project and will leverage our experience with similar projects, as demonstrated in our recent work in the towns of Vestal, Springwater, and Woodhull.

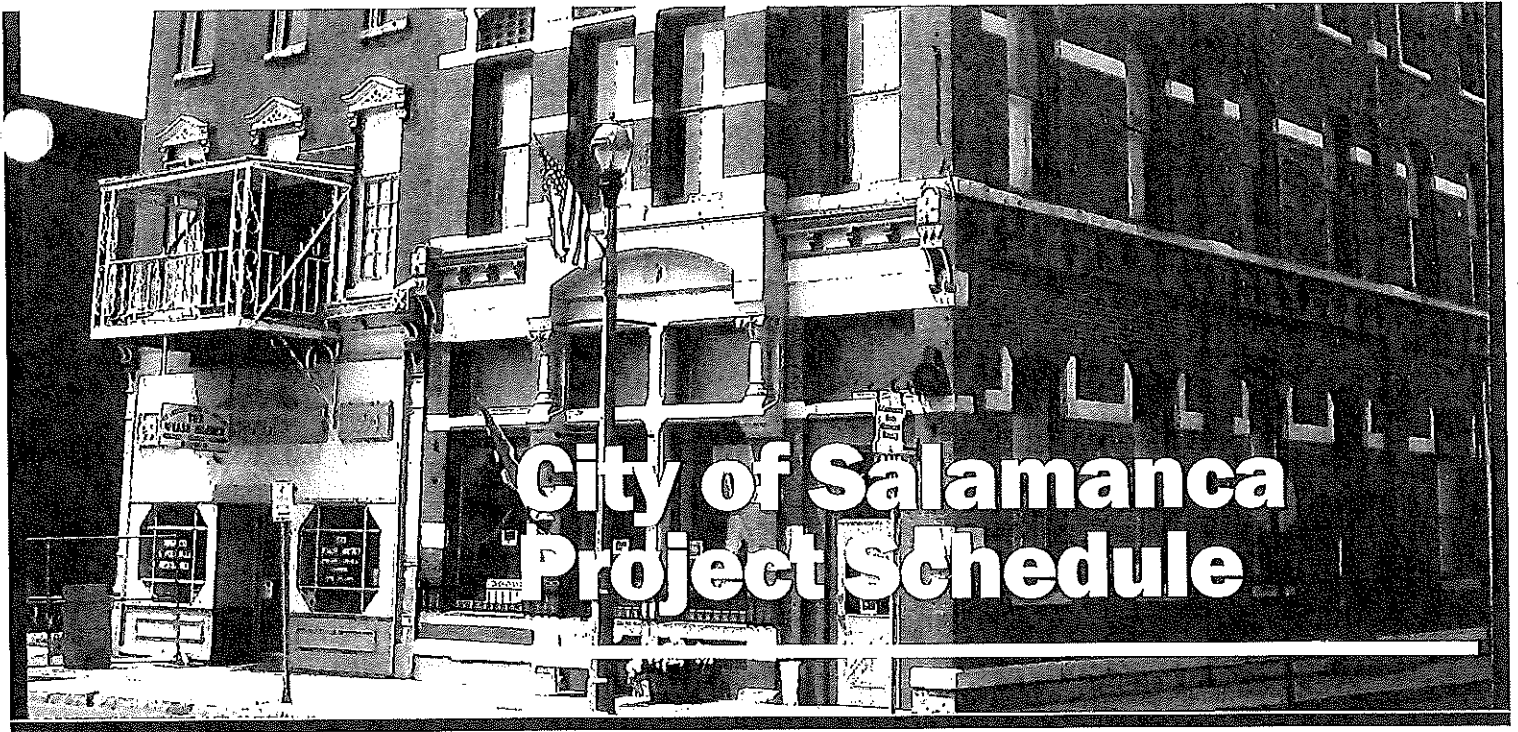

The City of Salamanca's need for a Wastewater Treatment Plant Improvements Study is a regulatory obligation and a crucial investment in public health, environmental protection, and economic development. By completing this necessary study, the Town will enhance the quality of life for residents and position itself for future economic growth.

HUNT has a long-standing commitment to delivering high-quality engineering solutions for municipal clients. With decades of experience in wastewater treatment projects across New York State, we are confident in our ability to successfully guide the City of Salamanca through the Wastewater Treatment Plant Improvements Study Project process. We appreciate the opportunity to be considered for this important project and welcome the chance to discuss how HUNT can assist the City in achieving its infrastructure goals. Please feel free to contact me at 607.358.1000 Ext. 1063, or via email at SteedT@HUNT-EAS.com.

Sincerely,

HUNT ENGINEERS, ARCHITECTS, LAND SURVEYORS, & LANDSCAPE ARCHITECTS, DPC

Timothy K. Steed, PE
Principal-in-Charge

Project Schedule

HUNT proposes the following project schedule, assuming timely approvals from regulatory agencies and alignment with funding application deadlines. The timeline considers factors such as FOIL requests, environmental review processes, and funding application cycles. Adjustments may be necessary based on regulatory response times and City priorities.

Task	Date
Kick Off Meeting	October 2025
Data Collection & Analysis	October - December 2025
Alternative Evaluation	January - February 2026
Draft Preliminary Engineering Report	January - April 2026
Public Engagement/Review with City	April 2026
Regulatory Review	May - June 2026
Grant Closeout	June 2026
Implementation Grant Assistance	June 2026 – September 2026

Jaime Davidson, PE
President
JM Davidson
Engineering, D.P.C.

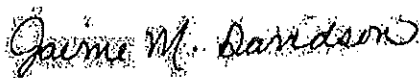

Dear Ms. Chamberlain:

JM Davidson Engineering, D.P.C. (JMD) is pleased to provide this proposal to the City of Salamanca (City) in response to the Request for Qualifications (RFQ) for Engineering Services for the Wastewater Treatment Plant Improvements Study Project.

JMD, as a small Women-Owned Business Enterprise (WBE), has provided services to a wide variety of municipal clients, either as a prime consultant or as a subconsultant to larger engineering firms. We have completed many pumping station and wastewater treatment plant evaluations within Western and Central New York, which makes us well-suited to your project, and have successfully completed our work within the times and budgets allotted. From evaluation, to design, and through construction and start-up services, we give our clients the personal attention required to get the job done.

This statement of qualifications presents more information as to our project experience and the expertise of our personnel as it relates to your project, and we look forward to the opportunity to potentially work with you. If you have any questions or need further information, please contact me any time at jdavidson@jmdavidsoneng.com or 716.912.1423.

Sincerely,

A handwritten signature in dark ink that reads "Jaime M. Davidson". The signature is written in a cursive, flowing style.

Jaime Davidson, PE
President
JM Davidson Engineering, D.P.C.

Project Schedule

As stated in the Request for Qualifications, the City must comply with the deadline dates that apply to the awarded Engineering Planning Grant (EPG). Per the RFQ, grant activities, with the exception of close-out and final activities, must be completed by June 30, 2027.

Our proposed schedule is as follows:

- Kickoff Meeting and Site Visit – January/February 2026
- Data Review – February through April 2026
- Development of Report – May to June 2026
- Submission of report to BPU – July 2026
- Final approval of report and submission to regulatory authorities – August/September 2026

Note that this schedule has the project ending well ahead of the grant deadline indicated in the RFQ.

**Barton
& Loguidice**

RE: City of Salamanca Wastewater Treatment Plant Improvements Study Project
File: 702.5322

Dear Ms. Chamberlain,

Barton & Loguidice, D.P.C. (B&L) is pleased to submit our statement of qualifications for engineering services for the City of Salamanca's Wastewater Treatment Plant Improvements Study Project. We recognize the importance of this project in ensuring compliance with the City's National Pollutant Discharge Elimination System (NPDES) permit requirements and in protecting the water quality of the Allegheny River, a vital resource for the community.

B&L has been providing wastewater engineering services across New York State for more than 60 years, supported by a staff of over 75 professionals dedicated exclusively to delivering wastewater projects. Our experience includes planning, designing, and implementing wastewater treatment plant, pump station, and collection system improvements for municipalities of all sizes. We are an industry leader with a strong track record of preparing Preliminary Engineering Reports (PERs) that meet EFC/DEC guidance and federal requirements. Since 2015, B&L has helped communities secure over \$500 million in grant funding for wastewater projects, and we are committed to leveraging our expertise to assist Salamanca in maximizing its \$50,000 EPG award.

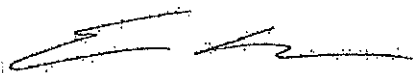

In addition to our wastewater expertise, B&L recently supported the City with the State Park Avenue Property Site Profile and Development Feasibility Study, which assessed eight City-owned parcels totaling 196 acres near I-86 and the Seneca Allegany Resort & Casino. That study combined GIS analyses and stakeholder outreach—including discussions with the Seneca Nation, NYSDOT, NYSOPRHP, and utility providers—to identify development constraints and opportunities. While direct access from the casino property was deemed infeasible, the work laid the foundation for a Highest and Best Use market study to explore mixed-use and multi-family residential potential on developable lands. B&L also has projects ongoing with the Seneca Nation in both the drinking water and wastewater practice areas, ranging from preliminary engineering to full construction-phase services.

We know that strong communication is the key to project success. Our approach is centered on collaboration—with City staff, regulatory agencies, and funding partners—to ensure that the project is completed smoothly and efficiently. We place the highest value on building long-lasting relationships with our clients, grounded in trust, responsiveness, and shared goals. For Salamanca, our focus will be to deliver a high-quality PER that clearly defines the City's infrastructure needs, provides cost-effective improvement alternatives, and positions the City for future capital project funding.

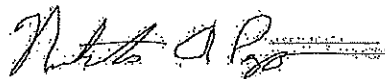

Thank you for the opportunity to submit our qualifications. Should you require additional information or have any questions regarding our team's qualifications, project approach, or scope of services, please do not hesitate to contact our project manager, Nicholas Pezzino, at 716-436-7857, or npezzino@bartonandloguidice.com.

Sincerely,

Barton & Loguidice, D.P.C.

Eric A. Pond, P.E.
Senior Vice President

Nicholas A. Pezzino
Associate

Project Schedule

B&L's anticipated schedule for completion of the project is outlined below:

TASK	DATE
Consultant Selection and Project Award	September 2025
Contract Execution	October 2025
Project Kickoff Meeting and Workshop	October 2025
Additional Field Services	December 2025
Initial Report Submittal	March 2026
Report Review Workshop	April 2026
Final PER Submittal for IUP Listing	May 2026
