

CHAPTER 92: ABANDONED AND UNLICENSED VEHICLES

Section

92.01 Purpose, coverage and definitions

92.02 Storage of unlicensed vehicles

§ 92.01 PURPOSE, COVERAGE AND DEFINITIONS.

(A) (1) The outdoor storage of abandoned, junked, discarded and unlicensed motor vehicles upon privately owned properties within the village is dangerous, unsightly and a detriment to the preservation of public health, the protection of property and the safety and welfare of the residents of the village.

(2) The outdoor storage of abandoned, junked, discarded and unlicensed motor vehicles upon privately owned properties within the village constitutes an attractive nuisance to children and a peril to their safety.

(3) The storage constitutes a threat to the safety and welfare of the residents of the village since the fuel tanks frequently contain gasoline or gasoline fumes and may be subject to explosion in case of fire. The storage depreciates the value of neighboring properties and is unsightly and discourages the orderly, progressive development of the village.

(4) The control of the outdoor storage of abandoned, junked, discarded and unlicensed motor vehicles upon privately owned properties within the village is therefore regulated for the preservation of the public health, safety and welfare of the residents of the village.

(B) This section is in addition to and does not change, repeal or amend the requirements of the village Zoning Ordinance which was effective May 20, 1963 except that the definition of **JUNK YARD** in the Zoning Ordinance shall apply to all junk yards other than junk yards containing motor vehicles. Junk yards containing motor vehicles is defined herein as it is defined in N.Y. Gen. Mun. Law § 136.

(C) (1) Residential property shall include single, multi or multiple dwellings, apartment houses and rooming houses, vacant properties.

(2) Commercial property to include all other privately owned real property in the village that is not within this residential definition.

(Ord. 3-1989, passed 6-26-1989)

§ 92.02 STORAGE OF UNLICENSED VEHICLES.

No unregistered motor vehicle shall be located at anytime on residential property except one that is covered with a tightly fitted tarpaulin, completely covering the vehicle. If any owner of a motor vehicle has purchased a replacement vehicle (new or used), the other vehicle (first owned) may remain on the private property of the owner or tenant for a period of no more than 30 days provided that the owner of the vehicle, immediately upon termination of the motor vehicle license for that vehicle, secure from the Village Clerk a permit to sell the vehicle on private property where they reside, if with the permission or the consent of the owner of the private property. Only one 30-day permit per year shall be allowed. Any holding over after the expiration of the permit shall be deemed a violation.
