RE: Monthly Report for October

RECEIVED

NOV 03 2026

Office of the Town Clerk
Perrysburg, NY

The October report is as follows:

- Agricultural Exemption Renewal notices are scheduled to be mailed on November 15th.
- **Reassessment Update:** The Data Collector's are updating building permits and reviewing parcels for data changes. Our valuation team will be starting the valuation process by reviewing usable sales and creating valuation models. Once this is complete we can begin field review. During the field review process, we look at properties from the roadside to make sure the preliminary assessment makes sense. The field review gives us the opportunity to more closely look at properties and adjust for factors that may negatively or positively contribute to value, like topography, condition, or location.
- The Assessing Office has corresponded with several property owners about their assessments, tax bills, and exemptions.
- There were 8 property transfers in September. You can find more information about these sales here: https://www.cattco.org/real-property-and-gis/sales

Thank you.
