"THE GRAND OLD 90's OF THE VILLAGE"

Helen Larson Age 94

A Village resident since 1939. In 1950 she married Alvin Larson and together they built their house on Reed Street and raised 4 children. Helen's favorite past time was walking her dog Bella until Bella's passing. Helen still drives around the Village and walks everyday, but one of her favorite things now is family gatherings on her back deck in the summer.

Mabel Tranum Age 95

A Village resident since 1985. She was one of eight children & met her husband while working at 14. Together they were blessed with their son a daughter-in-law, two grandchildren, four great grandchildren and two great-great grandchildren. Mabel has enjoyed making Ceramic pieces, walking puppets and chocolates over the years. You could still find her mowing her lawn, attending the 76'ers luncheons, and of course cracking the dozens of eggs needed for the Sinclairville 76ER's History Fair Pancake breakfast up until her passing on April 22, 2025.

Richard "Smitty" Smith Age 90

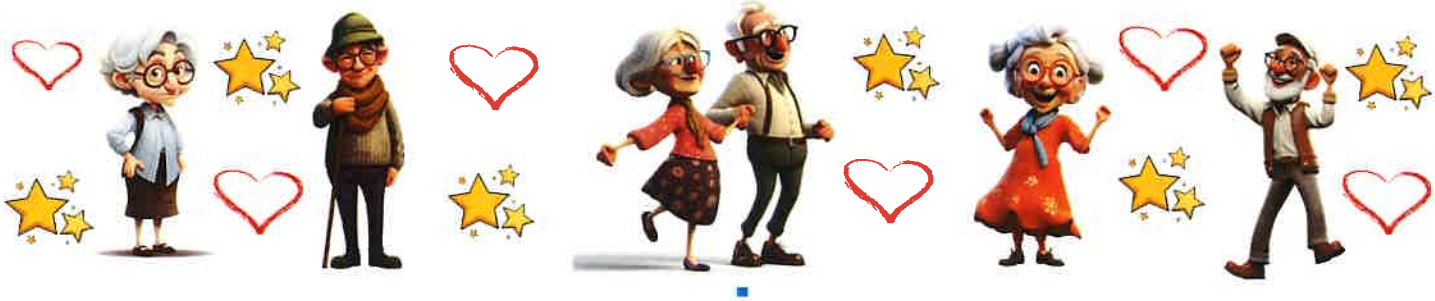

Not only is he a Village resident , he also was the Village Street and Water Superintendent for 39 years and the Village Zoning officer. He is a life member of the Sinclairville Fire Department where he was chief for more than 20 years. He also has held the title of every office within that organization at some point in his career. He is currently serving as president of the Sinclairville 76ER's . After retiring in 2007 he enjoys golfing and on most days he can be seen having his early morning coffee at the Superette.

Mr. & Mrs. Underwood Age 95 & 96

Doris Diethrick Underwood was born June 21st, 1929, and moved to the Jamestown area in 1939 with her family. While attending Jamestown High School she met the love of her life Clarence (Tuck) Underwood. Tuck was born June 29,1930. They were married in 1950 and together they traveled the Eastern United States while Tuck completed his career in the U.S. Air Force and Navy before settling down in Sinclairville. Tuck enjoys hunting, archery, running and golf in his free time. Tuck also has two claims to fame. One is he spent 7 summers in Antartica and the other is that he boxed with a KANGAROO!! Together Doris and Tuck ,with their extended family were blessed with four children, seven grandchildren and twenty one great grandchildren. They enjoy going to the 76ers group for chili and having large family gatherings. On February 22, 2025 the couple completed a monumental milestone and celebrated their 75th wedding anniversary.

SINCLAIRVILLE FREE LIBRARY CELEBRATES 25 YEARS!!!

It has been 25 years since the oldest Library in Chautauqua County , Sinclairville Free Library found its permanent home in a gorgeous building right in the middle of the Village at 15 Main Street Prior to that the Library had moved 14 times since 1894. Our Library is so much more than a building full of books. They offer the Summer Reading Program so students can keep their reading skills, minds, and imaginations sharp while they are not in school. They offer fun early literacy activities for ages 0-2 and 2-4 to start their reading adventures out on steady footing. Stories are read to children before school at the Wrap Program offered through the Park Church. The school provides field trips to the Library for elementary students to encourage healthy library and student interactions. The Library offers a variety of book clubs both online and in person. The outreach program has established a book club at Homestead in Gerry as well as delivering books to the retirees. Other than book clubs, the Library also offers other opportunities such as knitting, puzzles and fly fishing groups. The Library is a hub of activites that provides so much enrichment to the residents of the Village both young and old! None of it would be possible without the devotion , love and support the Library recieves from its staff, volunteers and patrons. Come and join in the 25 year celebration of the library building at the library on September 13, 2025 at four o'clock pm. All are welcome!
